Historic Hotel St. Cloud reopens after seven-year restoration: A new gateway to Southern Colorado excursions

**CAÑON CITY, Colo.**, June 16, 2025—After an extensive seven-year restoration, the iconic Hotel St. Cloud is thrilled to announce its grand reopening. Nestled in the heart of Cañon City on Main Street, this historic boutique hotel combines four-star luxury with the authentic charm of Fremont County. The Grand Reopening celebration will take place on July 26, 2025, from 7:00 p.m. to 10:00 p.m.—exactly seven years after Unbridled acquired the landmark property at auction.

Hotel St. Cloud invites you to experience Cañon City like never before. As one of Colorado's ten oldest hotels, this reimagined 36-room hotel embodies the spirit of the Wild West and welcomes you to add your story to its walls.

Guests can indulge in a variety of culinary experiences at the hotel, featuring a sophisticated steakhouse, a rustic lobby bar, and an exclusive speakeasy cocktail lounge. Start your day with a delightful breakfast, enjoy a leisurely lunch, or unwind with dinner at the 1887 Historic Eatery, where every dish is crafted using house-made, seed-oil free ingredients. The Fremont Public House offers an expansive selection of handcrafted cocktails in a jovial environment, highlighted by the restored original backbar. Don't miss a visit to The War Room, the hotel's secret cocktail lounge, where you'll find high-end cocktails and seasonal martinis, perfect for sharing stories in an intimate setting. For your convenience, we also provide room service from 6:30 a.m. to 10:00 p.m., complimentary reserved and free parking, express check-out, and 24-hour security, ensuring a comfortable and enjoyable stay.
