

EVANGEL CHRISTIAN ACADEMY

Christ-Driven for Tomorrow's Leaders

Dear Current and Prospective Families,

At Evangel Christian Academy, we believe every child deserves the opportunity to receive a Christ-centered education. We understand that the cost of private Christian schooling can be a significant investment for many families, and we are committed to helping make that investment as affordable as possible.

To assist families with tuition, Evangel Christian Academy participates in two third-party scholarship programs.

ACE Scholarships accepts applications beginning in mid-February, with a deadline of April 15th. Eligible families may receive scholarship assistance covering up to 50% of annual tuition. The Connor Scholarship accepts applications from March 1st through May 15th. Award amounts vary based on the scholarship organization's criteria.

Because both programs are administered by independent organizations, scholarship recipients and award amounts are determined solely by those organizations. As a participating school, Evangel Christian Academy is not involved in the selection process and does not receive information regarding how award decisions are made.

In addition to these scholarship opportunities, many of our families also qualify for tuition discounts through Evangel Christian Academy. These discounts are based on a variety of factors and may significantly reduce the cost of tuition. Because every family's situation is unique, we encourage you to contact our administration to learn more about the tuition assistance opportunities that may be available to you.

We never want finances to prevent a child from receiving a quality Christian education. If you are considering Evangel Christian Academy, we invite you to reach out to our office. Our staff would be happy to discuss scholarship opportunities, explain our tuition assistance options, and help you explore the possibilities available for your family. You may be surprised to learn just how affordable an Evangel Christian Academy education can be.

In Christ's Love,

Frances Hammond
