International Benchmarking – MAP Grade 0:

MAP is an adaptive assessment that measures and tracks a student's achievements and academic growth over time in reading, language usage and mathematics. This holistic assessment allows the teachers to meet the developmental needs of each students allowing us to tailor their personalised learning journey.

NumberSense:

The NumberSense mathematics programme aims to develop the child's conceptual understanding, problem solving skills and numerical fluency. This comprehensive programme helps build a strong mathematical foundation for our students to scaffold their learning as they master mathematical concepts.

Time2Read:

This is a structured, holistic literacy programme that assist our students to build strong reading and spelling skills by increasing the focus on phonemic awareness, sound-symbol recognition and engaging learning experiences. This programme ensures long term mastery and literary success for our students.
