

Xcluder® Rodent Proof Door Sweeps

For Commercial & Residential Applications

Under-door gaps are one of the most common entry points for mice and rats, and other sweeps are no match for the gnawing of these pests. Xcluder sweeps have long been trusted by pest professionals worldwide, and with our latest sweeps, Xcluder continues to provide industry-leading rodent protection and peace of mind for any home or business owner. The innovative designs are now even easier to install and offer a clean, upscale aesthetic and a lifetime guarantee against mice and rats.*
