LET YOUR VOICE BE HEARD
INVEST IN INDUSTRY SUCCESS

WHAT IS A PAC FUND?

Your Voice

FUELIowa's Political Action Committee (PAC) directs funds to politicians who support the fuel industry. These law makers help FUELIowa and members through the maze of legislative and regulatory issues that confront our industry. Giving to the PAC helps members unite together to be heard on important issues affecting their businesses.

HOW CAN I PARTICIPATE?

Your Opportunity

Make a PAC donation and build relationships with legislators at a grassroots level. The PAC can only accept personal checks. This money is then given to legislators that support the FUELIowa position on issues vital to our industry.

HOW ARE FUELIOWA PRIORITIES DETERMINED?

Your Issues

Annually, prior to each legislative session, FUELIowa staff, PAC chairs, and lobbyists review legislator's voting records and support for our key issues. Recommendations are made to the FUELIowa Board of Directors and meetings with legislators are held. We strive to have our members hand deliver PAC checks to the legislators who have earned our support.

FUELIOWA PAC CAMPAIGN

Your Leaders

FUELIowa is excited to have the services of **Marc Beltrame** as our lobbyist. Marc has extensive legislative and regulatory experience. He is actively engaged and meeting with fellow lobbyists and members of the Iowa General Assembly to shape our future.

WHERE DOES THE MONEY GO?

Your Candidates

52
candidates

Contributions support 52 candidates in the election cycle. Funds are typically given to key influencers on issues important to our industry, including leadership positions in the senate and house, key committee members, as well as the Governor.

WHAT ARE OUR GOALS?

financial contribution goal

I received 2 Grants from the Iowa Renewable Fuels Program when I constructed our current location in 2016. A $50,000 E85 & $50,000 Bio Diesel Grant. These grants were enacted by Legislators to support the fuel industry of Iowa. These Legislators were educated and persuaded by Political Action Committee Funding from people I may never know, who had the vision & leadership to make grants like these available for investors like me, to use and to benefit all Iowans. I am committed to pay it forward for others who will appreciate my leadership improving our industry.

DON BURD, OTTER CREEK COUNTRY STORES, INC
FUELIowa PAC Committee Chair

I have been affiliated with FUELIowa and the FUELIowa PAC for years and I can attest to the importance of PAC donations to fulfill FUELIowa's mission to be The Voice of Iowa's Fuel Industry. There has never been a more important time for you to support the PAC. Iowa's Biofuels Mandate in its present form would put many FUELIowa members out of business, restrict consumer choice at the dispenser and ultimately lead to higher costs to Iowa's Consumers. Your PAC donation will ensure your voice gets heard by the Governor's office and the state legislature that we want an incentive based approach to biofuels, not a government mandate.
