Your Neighbors Your Government

LETTER FROM SUPERVISOR MICHAEL A. CORRIGAN

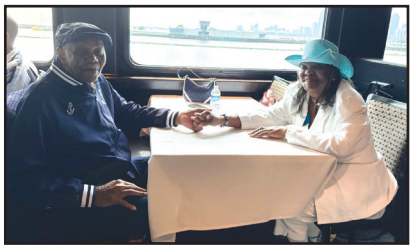

Don't let all the summer rain get you down. We can now trade in our rain boots and umbrellas for cozy sweaters, crisp fall days, and bowls of hot soup. Here in the township, we kept our spirits high no matter the weather. We enjoyed our Lunch on the Lake Cruise in September despite the dense fog; it made for a picturesque skyline. Our trips always make for a memorable day.

We also had another outstanding Senior Citizen Day with nearly 500 seniors in attendance. Every year we hope to make our senior day special for you, and somehow, we always surpass our expectations. We truly appreciate everyone's support and our staff's hard work. We are excited and looking forward to next year's event.

I am proud to announce the results of the partnership between Aging Care Connections(ACC) and our Handyman Program that started this year May 1st. ACC has a grant which has allowed them to cover the $5 surcharge that the Handyman normally charges residents for their services. Not only was the surcharge covered, but also any parts that may have been needed during the visit. This has made handyman services free for our senior residents. In total, our township handyman has served 1,295 seniors, allowing ACC to award more than $7,620. We are pleased with the work that has been done and look forward to the continued partnership this grant will allow.

Please take a look at all the wonderful events coming up this season. As always, thank you for being part of our community, and we wish you and your families a warm, healthy, and joyful holiday season!
