

## **QMLT EXAMINATIONS**

### **Candidate Support**

An examination candidate may advise the NZIMLS of any issues they are having with regards to their training and support for the QMLT examination qualification.

Should a QMLT examination candidate feel that they are not receiving adequate training or support towards a QMLT examination, they may contact the NZIMLS office.

Please ring the NZIMLS on 03 313 4761 or email [admin@nzimls.org.nz](mailto:admin@nzimls.org.nz)

The office will want the candidate to clearly define the issue so that a reasonable understanding of the situation can be established.

Candidates are advised to read the NZIMLS Guidance and Code of Conduct for Supervisors and Candidates for Fellowship and QMLT training. This document may help in resolving the issues a candidate may have.

If the issue cannot be resolved by discussing with the NZIMLS office, then the issue will be required in writing so that it can be referred to the Board of Examiners.

In the options above, privacy will be respected by ensuring that personal information is limited to what is authorised by the candidate.
