**All Authors name and email address's (Include first name and last name, and work email where possible.)**

Author 1:	email:
Author 2:	email:
Author 3:	email:
Author 4:	email:
Author 5:	email:
Author 6:	email:

**Corresponding Author:**

**Name:**

**Work address:**

**Contact phone number:**

**Email:**

**Please tick all the boxes that apply**

- ☐ This work is original and has not previously been published in full or substantial part thereof (except as an abstract).
- ☐ This work has not been submitted to nor is it under consideration by another journal.
- ☐ All named authors justify authorship by either substantively contributing to the planning, execution, analysis, or critical writing of the article.
- ☐ All authors approve submission of the final version.
- ☐ I have read and followed the Instructions to Authors.
- ☐ Individuals named in the Acknowledgements are aware and approve they are acknowledged.
- ☐ I have acknowledged any financial or material contributions to the study.
- ☐ No part of the article has been lifted (plagiarised) from other published material.
- ☐ No AI language models have been used for the generation of the article.

Is any Figure from another publication?

No ☐ Yes ☐

If yes, please obtain permission from the copyright holder to reproduce and attach documentary evidence of approval.

**Please state what contribution each author has made**

Example: conceived the study; significant contribution to the analytical work, data acquisition or data analysis (including statistical analysis); substantive drafting of the main article; substantive writing of parts of the article for critical content. Routine data collection or acquisition of funding alone do not constitute authorship but generally constitutes acknowledgement. Author contributions may be published with the article.

**Author 1:**

**Author 2:**

**Author 3:**

**Author 4:**

**Author 5:**

**Author 6:**

There are situations where two authors may have contributed equally to the study. In such a case please notify this to the Editor when submitting and the article, if published, it will have a footnote stating that both authors had contributed equally to the study.

**Conflicts of interest statement**

Do you have any financial interest in any product, equipment or procedure mentioned in the article?

No ☐ Yes ☐

Have you received speaker's fees or conference support from any company mentioned in the article?

No ☐ Yes ☐

Do you have any institutional affiliations or academic commitments, political or religious beliefs that may have influenced or impacted on your article?

No ☐ Yes ☐

Do you have any personal relationship with any participant in the study?

No ☐ Yes ☐

If yes to any of the above, please specify the potential conflict of interest in a separate letter to the Editor.

Any perceived conflict of interest will be stated in the published article. If there are no conflicts of interest declared this will be stated in the article as "The authors have no conflicts of interest to declare".
