

The Korean Society for Laboratory Medicine (KSLM) is proud to announce the hosting of LMCE 2026, reaching a new milestone in premier global laboratory medicine. As this year marks **the 10th Anniversary of the LMCE**, we invite you to join us as we celebrate a decade of leading international networking in the field.

LMCE 2026 Theme: **AI for AI (Advanced Integration)**

Moving beyond simple technology adoption, we invite you to the forefront of "Advanced Integration," where artificial intelligence drives practical transformations in diagnostic settings.

Overview

- **Title:** LMCE 2026 (Laboratory Medicine Congress & Exhibition) & KSLM 67th Annual Meeting
- **Dates:** **October 21 (Wed) – 23 (Fri), 2026**
- **Venue:** **Grand Walkerhill Seoul, Korea**
- **Organizer:** Korean Society for Laboratory Medicine
- **Website:** www.lmce-kslm.org

Congress Scale

- **Attendance:** Approximately 2,500 experts from 30 countries
- **Program:** Over 50 scientific sessions and 400 abstract presentations
- **Exhibition:** Approximately 170 exhibition booths

Key Highlights

- **Global Collaborative Symposia:** Participate in exclusive joint sessions with world-renowned societies, including the ADLM, CLSI, and ESCMID, to discuss the latest global standards and trends.

- **10th Anniversary Celebration:** Special networking events, including the 'LMCE 10th Anniversary Celebration,' will commemorate a decade of growth and share our future vision.
- **Cutting-Edge Exhibition:** Exchange insights on the latest diagnostic solutions at our large-scale exhibition featuring approximately 170 booths.

Call for Abstracts & Registration

- **Abstract Submission Deadline:** June 15 (Mon), 2026 ► [Go Submit Abstract](#)
- **Pre-Registration:** March 9 (Mon) – August 14 (Fri), 2026

Contact Information

- **Secretariat:** +82-2-557-8422 / 8423
- **E-mail:** info@lmce-kslm.org

Join us as we embark on our next ten years of growth and open new dimensions in laboratory medicine.
