Coalition for the Homeless of Central Florida Receives Maximus Foundation Grant As Part of 2023 Annual Giving

*Maximus Foundation to Award $2.2 Million in 2023 to Non-Profits Nationwide for Community Development, Youth Programs, and Healthcare Services*

Orlando, FL – May 9, 2023 – Maximus, a leading employer and provider of government services worldwide, announced that the Maximus Foundation awarded Coalition for the Homeless of Central Florida a grant for part of its annual giving to 191 nonprofit organizations across the United States this year.

The grants are aimed at furthering three key themes that drive the Foundation’s work: community development, youth programs, and healthcare services. The number of grantees represents a 14.3% increase over the number of 2022 grantees, and the total giving is the largest annual level in the Foundation’s 23-year history.

As a critical bridge between the streets and housing, Coalition for the Homeless of Central Florida equips people to end their homelessness crisis with services that touch 800-plus men, women, and children daily. Our goal is to end homelessness by focusing on a slate of services designed to conserve their care and connect them with critical resources to end their crisis of homelessness. This includes enhanced case management, housing-focused solutions, and a community health initiative while also providing programs for residential children.

"In recognition of Coalition for the Homeless of Central Florida’s impact in our community, the Maximus Foundation is pleased to award a grant to support the success of the organization," said Dr. John Boyer, Maximus Foundation Chairman. “The Coalition’s work reflects our shared values—partnering with people in under-resourced communities and connecting them to the tools they need to build better lives for themselves, their families, and their neighbors. Thank you to Coalition for the Homeless for its collaborative approach to enriching the lives of those it serves.”

The Maximus Foundation, which was founded by the company’s board of directors in 2000, is committed to supporting organizations and programs that promote personal growth and self-sufficiency through improved health, child, family, and community development. The nonprofits receiving grants in 2023 from the Maximus Foundation provide a wide range of critical services, programs, and training.
