Madera County Fellowship of Christian Athletes

Spring 2026

Every year in Madera County, God is doing amazing things through his people on sports teams, in schools, and in our community. On local elementary, high school campuses, and a action sports Huddle where Madera County FCA is active, classrooms become sanctuaries, and lunch breaks become opportunities to reach others with the transforming power of Jesus Christ. Madera County FCA is answering God's call to unite our two passions – faith and sports – to create an enduring campus culture that impacts the world for Jesus. But if we are to continue to make that eternal impact, your help is crucial.

We are so grateful to you, our friends and donors, for your continued prayers and financial support. Last year, we started in on ministry representing FCA to our community with events and opportunities to reach “every”! Every coach, every athlete, every parent, every church, and every one that comes to our events. Are we growing? Absolutely, but were hitting a wall for the Kingdom! We are experiencing a fluctuation of support when we need a solid base too create great ministry events that will change a heart for Christ. The opportunities and our desire to create “big events” are off. We are deeply grateful to our friends and donors for your continued prayers and faithful financial support. Over the past year, we've begun serving our community by representing FCA through impactful ministry, events, and outreach opportunities designed to reach every person—every coach, every athlete, every parent, every church, and every individual who walks through our doors.

Yes, we are growing—and we're thankful for that—but we're also encountering a challenge. To move forward effectively and build Kingdom-changing ministry, we need a more consistent and solid foundation of support. Right now, fluctuating resources limit our ability to create the kind of powerful, life-changing events that can truly transform hearts for Christ.

The opportunities before us are incredible, and our vision to create meaningful, large-scale events is greater than ever. Our desire is to make this ministry one of the strongest and most impactful in the Central Valley—changing lives and shaping hearts for Christ. charts in making this ministry the best in the Central Valley.

Still, we remain faithful to the work set before us, knowing that this ministry rests securely in the hands of our good God. Bible distribution, campus huddles, and coaches' Bible studies will remain our ministry focus as we make every effort to find our firm financial footing. To that end, we humbly ask you to prayerfully consider joining the Madera County FCA Century Club, a club of 100 members who will commit to donate \$100 a month for a year. This bold, one-time campaign, if successful, will set the table for a strong next decade of ministry.

We realize this is no small ask. For many, that is a sacrificial sum. But we know you share our desire to see every coach and athlete enter into a growing relationship with Jesus Christ and his church. Please don't hesitate to reach out to me with questions or concerns. Thank you for your prayers and partnership with his ministry.

In Him,
