

Coach X,

I currently play for Jr Irish 99G Premier and am a junior at Penn High School, graduating in 2024. I am interested in _____ University because of your strong soccer program and the Physical Therapy program, as I am interested in this major. I currently have a 3.6 GPA and will be taking the SAT this spring. Enclosed is my player profile for your review. As you can see, I earned All-State Honors my sophomore year and am currently a starting central midfielder player.

I will be attending the following tournaments with my Jr Irish 99G Premier Team:

- Indy College Showcase (November 21-23, Westfield, IN)
- Crossroads Showcase (April 22-April 24, Westfield, IN)
- Blue Chip Showcase (April 29-May 1, Warren Township, OH)

***My jersey number is 15**

If you will be attending any of these tournaments, I would love for you to evaluate me for your program.

As I mentioned above, I am very interested in _____ and would love to play for your program!

I hope to hear from you soon.

Sincerely,

Player X
