OUR LOYALTY PROGRAMME

YOU BECOME A VALUED MEMBER OF THE SBI FAMILY SIMPLY BY STAYING WITH US

SBEC Benefits Program is part of the **Swiss-Belexecutive Card** of Swiss-Belhotel International. It is a global program developed to appreciate the loyalty of our guests and to ensure they enjoy our hospitality with **EASE** (Easy, Accessible, Simple, Exclusive).

No collecting points, no waiting for redemption, SBEC Benefits program is designed to provide guests instant rewards, in points - the benefits are immediately accessible upon registration. Loyalty is the key account in the hotel businesses - loyalty of the guest, the staff, the management, the owners, the investors - the stakeholders of our business.

With this program we want to ensure that each visit of our guest should matter; irrespective what service they use, their loyalty must count! Whether it's a cup of coffee, a meeting room usage, a spa service or even a day-use pool booking, when a guest chooses Swiss-Belhotel International, the reward is in experience. Hotels are not just about a room stay, they are a much bigger experience, hence, our guests must be able to enjoy the complete array of our hospitality services and also benefit in return.

We are in the people's business and having a member defined by a colour or tier of a card feels impersonal. Thus, we personified the levels of our program - **Global (Green)**, **Explorer (Red)**, **Enthusiast (Silver)**, **Influencer (Gold)** and **Connoisseur (Platinum)**; all five representing the milestones of a journey of togetherness with Swiss-Belhotel International - the reward is in the experience.
