Who Are We?

Eddy Lora
FOTOGRAFIA

Established in 1976, the Colombian American Chamber of Commerce of Greater Miami INC. (CACC) plays a pivotal role in fostering trade relations between Colombia and the United States.

The **CACC**, actively promotes and supports businesses of all sizes, from small startups to large corporations, across a diverse range of sectors such as logistics, commerce, banking, technology, legal, and consulting.

By leveraging its extensive network of affiliates, the CACC effectively enhances the competitiveness of its members and facilitates robust trade partnerships between leaders from both countries. Through a variety of conferences, private gatherings, and public events, the **CACC** provides valuable networking opportunities, helping businesses forge meaningful connections and expand their reach in the market.

■ Mission

At the Colombian American Chamber of Commerce of Miami, we are dedicated to **strengthening and expanding trade and investment relations between Colombia and the United States**. We leverage our strategic position in Miami, the Gateway to the Americas, to connect our members with **unique opportunities, valuable networking channels, and experiences that drive business and professional success**. Our commitment is to serve as the catalyst that enables Colombian entrepreneurs and professionals to **transcend borders and achieve significant regional impact**.

■ Vision

Being a vital and natural business bridge between Colombia and Miami, **making an impact on binational trade** by serving as a convergence point for business assets, aspirations, and market realities.

Events

At the **Colombian American Chamber of Commerce of Greater Miami INC (CACC)**, our focus is on connecting business owners, traders, and leaders through dynamic and enriching events. Our activities are meticulously **designed to provide unique networking**, learning, and collaboration opportunities. From conferences and informative workshops to trade fairs and international business missions, we offer a diverse range of activities that foster business growth and success. Join us at our events and discover how CACC can assist you in achieving your business objectives and expanding your network in the US through Miami, the gateway to the Americas.

■ Memberships

At the **Colombian American Chamber of Commerce of Greater Miami INC**, we are committed to offering memberships designed to drive the success and growth of your business between Colombia and the USA. Our memberships provide access to a range of resources, services, and exclusive opportunities that will help you expand your business reach, establish valuable connections, and maintain a competitive edge in the binational market. **Tailored to meet the needs of each company, our memberships contribute to its long-term success.**

■ Types of Memberships

BENEFACTOR

Membership with privileged access to CACC's services and activities, with an elite and permanent brand visibility component, offers the opportunity to expand your influence within the business community by growing your network, collaborating on projects with other companies, and forming alliances with other leaders to promote and enhance binational trade.

TRUSTEE

Membership tailored for companies that actively promote binational trade between the United States and Colombia. With privileged access and brand visibility in CACC activities, this membership enables you to expand your influence within the business community, broaden your network, collaborate on projects with other companies, and establish partnerships with other business leaders.

CORPORATE

Membership tailored for established companies, with privileged access to exclusive CACC events and participation in strategic initiatives designed to identify business opportunities between the United States and Colombia, as well as to enhance networking opportunities.

INDIVIDUAL

Membership tailored for executives and business leaders seeking personal or business access to the CACC network. It involves participation in CACC activities and the opportunity to connect with other members and partners.
