Batesville

Celebrating Lives. *Beginning Healing.*

For more than 140 years, Batesville has crafted products that make funerals truly meaningful – helping families honor the lives of those they love.®

Guiding you down the path of choosing cremation as your final tribute.

There is nothing more personal than remembering a loved one. From products that honor a life to services that respect a legacy, remembrance is yours to care for and ours to support.

Your funeral director is here to guide you through each step of this journey.

The memory of your loved one lives on with the planting of a tree.

Batesville's Living Memorial® program, offered through your funeral home, is a unique and special way to honor the life of your loved one. With each purchase, as our gift, we'll plant a tree sapling in a national forest of need in memory of the deceased.

"I will smile when I think of a small sapling growing tall over the years to celebrate my husband's Life."

Remembrance is a personal journey.

When choosing cremation, use this guide to help you honor their life in a way that's as special and unique as how they lived.

STEP 1

Design a meaningful service, tribute or gathering.

The ceremony is a way to tell your loved one's story and celebrate their life.

STEP 2

Select a personalized cremation casket or container.

The casket or container is the resting place that provides dignity to your loved one.

STEP 3

Choose a personalized memorial urn.

The selection of the urn typically complements the final placement.

STEP 4

Consider personal memorials for family and friends.

Keepsakes and jewelry are lasting mementos that will remind you of your time together.

Personalize Their Story.

Every life leaves a unique legacy. Personalization helps transform an urn from a memorial into a meaningful reflection of the individual it honors. From engraving and urn pendants to exclusive Family Choices® personalization features, there are many ways to create a tribute that feels authentic, personal, and lasting.

Personalization Available Across Our Brands

NewPointe

Simple Details, Lasting Meaning.

Urn pendants provide a simple, yet elegant way to personalize select urns with a loved one's name and meaningful dates. Available in coordinating finishes, these decorative accents add a meaningful finishing touch while complementing the overall design of the urn. While intended for full-size, traditionally shaped urns that are not engravable, urn pendants can also be displayed using an adjustable ribbon, providing a personalization option for nearly any urn.

CLOISONNÉ COLLECTION

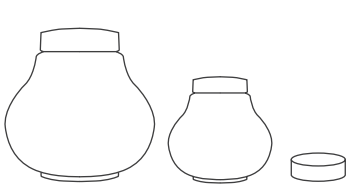

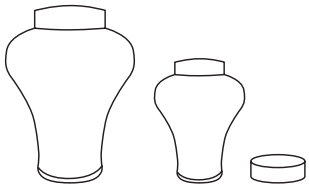

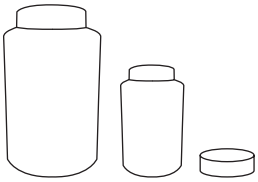

Time-honored cloisonné products are handcrafted by applying colored enamel to copper containers. Thin metal bands are meticulously applied to outline and highlight the design and shape of these urns. Our unique and exclusive designs feature classic themes with a modern flair to create the perfect mix of traditional construction with updated appeal to honor your loved one.

WHAT IS CLOISONNÉ?

Cloisonné is an ideal choice for an urn due to its exquisite beauty, durability, and symbolic depth. The intricate process of cloisonné, involving the precise placement of enamel within wire compartments, creates vibrant and enduring designs that resist fading and tarnish, ensuring the urn remains a beautiful tribute for generations. Furthermore, the rich history and artistry associated with cloisonné imbue the urn with a sense of dignity and timelessness, making it a fitting and unique vessel to honor a loved one's memory.

BIODEGRADABLE & SCATTERING COLLECTION

Many choose to scatter at a place of special significance. Our Scattering and Biodegradable Collection offers a wide variety of urns designed specifically to help facilitate ceremonial scattering. Many products are also constructed of biodegradable materials designed to break down over time when exposed to the elements, offering an eco-friendly scattering option.

S

OCEAN REFLECTIONS
Pressed Cotton

				MSRP
252357	Full Size	21.25"Dia. x 4.5"H	389 cu. in.	$515

Handmade from unbleached, pressed cotton, this urn is designed to hold cremated remains to faciliate scattering by water. This disc design will float for one to five minutes before descending into water.

Cremated remains should be placed in the biodegradable bag included with the Ocean Reflections.

ECO WATER URN
Bamboo/Recycled Materials

				MSRP
282922	Full Size	75"Dia. x 14.75"H	225 cu. in.	$250

This all natural water scattering urn is designed to float like a buoy before becoming submerged with water and sinking after a short time, releasing cremated remains to be scattered at sea. After ceremonial scattering, the bamboo carrying case can be used to store special mementos.

EARTHURNS®

Journey Earthurns® are hand-crafted from sustainably produced, biodegradable paper. They feature natural, floral, or water themes in unique decorative designs that make a beautiful look or ceremonial scattering. After placed in water, the Journey Earthurn® will float briefly before sinking to the bottom where it will break down naturally over time.

Measures 14"W x 12.5"D x 3"H, Volume 220 cu.in.

NATURAL EARTHURN®
Biodegradable Paper

282715	Full Size	MSRP $250

DOGWOOD LILAC EARTHURN®
Biodegradable Paper

282717	Full Size	MSRP $250

SEAFOAM WAVE EARTHURN®
Biodegradable Paper

282716	Full Size	MSRP $250

The Ocean Reflections, Eco Water Urn, and Journey Earthurns® are designed to break down in water. The floating time and timing to break down will vary based on water conditions and temperature. Thus, the urn must remain completely dry until it is placed in the water. Because of the delicate nature of the natural materials, the urn should be handled gently to prevent rips or tear. Do not ship cremated remains within the product.

SCATTERING GARDEN BIODEGRADABLE URNS

Designed for biodegradable ground burial gardens, these handmade, pressed cotton urns feature laser-etched designs or designs cast from original artwork.

NEWPOINTE® BREDA URNS

Created from sustainably-sourced earthenware, the Breda collection features a simplistic design with earth-tone finishes. All of the finishes and earthenware construction are water soluble and biodegradable. Because of the rigid design, this collection is polyvalent—meaning it is suitable to be kept at home long term or until ready for ceremonial scattering via water or earth burial.

Eterneva® Memorial Diamonds + Batesville

A New Partnership in Personalized Remembrance

Batesville has partnered with Eterneva®—a pioneer in creating custom diamonds from the ashes or hair of loved ones or cherished pets—to give families more ways to honor the lives of those they love. Known for its high-touch, guided experience, Eterneva® supports families through every step of the diamond creation journey, turning remembrance into something lasting and deeply personal.

How a Memorial Diamond is Made

1. **Receive your welcome kit**
   Ash collection materials, your guide, and your advisor's direct line — shipped free to your door.
2. **Send us back a small amount of ashes**
   One cup is enough. Your loved one's carbon becomes the seed for the diamond.
3. **Choose your diamond together**
   Color, size, cut, and free engraving — your advisor walks you through every choice.
4. **Receive your forever piece**
   Set in jewelry of your choosing, or kept loose. Certified, insured, and yours forever.
