WELCOME TO WORSHIP

We are glad you are here.

Children and students are encouraged to participate in the worship service. Today, children's programming is provided for children younger than kindergarten. Care for infants through 2's is available throughout the service. Preschoolers participate in the first part of the worship service and then leave for Kairos Kids. Elementary kids and middle and high school students remain in the worship service. Worship clipboards are provided for preschoolers and elementary-aged children to assist them in participating in the service.

A Mother's Room is provided just off the sanctuary gathering space for mothers and their infants who need a quiet and private space. Audio of the worship service is available in the room.

There are two options for taking communion—by intinction or by an Individual cup and wafer. The individual cups and wafers are gluten-free.
