## Areas of expertise

- Acquired Brain Injury
- Traumatic Brain Injury
- Birth Injury
- Amputation
- Orthopaedic Case Management

## Current Experience

Bev manages a diverse caseload of adult clients, including individuals with Acquired Brain Injuries, Complex Orthopaedic Injuries, and Birth Injuries. Her role involves managing multi-disciplinary teams and implementing SMART goals to facilitate structured, outcome-focused rehabilitation planning that is tailored to each client's specific needs and long-term objectives.

Bev has experience in developing and coordinating bespoke care packages, with a particular focus on community discharge planning and the implementation of staged care solutions.

Bev places strong emphasis on clear communication and integrated working, ensuring that all professionals involved remain aligned in their approach and responsive to the evolving needs of each client. She values a collaborative, person-centred ethos, ensuring that all interventions reflect the individual's circumstances, aspirations, and goals.

Her approach is proactive and holistic, aiming to empower clients and their families throughout the rehabilitation journey, while upholding the highest standards of care and support.

## Previous Experience

Adult Social Care Professional – Over 20 years experience working within adult social care, with specialist experience in supporting individuals with neurological conditions and complex mental health needs.

Leadership Roles – Held senior positions including Senior Practitioner for Conwy County Borough Council Adult Learning Disability Team, and Practice Manager for Cheshire West and Chester Adult Learning Disability Team, providing strategic oversight and team leadership.

Statutory Expertise – Developed a strong statutory service background with extensive knowledge and application of the Mental Capacity Act (MCA) and Deprivation of Liberty Safeguards (DoLS), ensuring best practice and legal compliance in care delivery.
