Current Experience

Francine is a dedicated Paediatric Case Manager known for her warm, down-to-earth approach and natural ability to build trusting relationships with children and their families. She works closely with each family to ensure their voices are heard and their goals are clearly defined and achievable.

She has experience supporting children with a range of complex needs, including birth injuries, cerebral palsy, learning disabilities, and developmental delay. Francine combines compassion with practical problem-solving, ensuring that the right services and support are put in place efficiently and effectively.

Highly organised and resourceful, Francine is skilled at navigating challenges and coordinating multidisciplinary input. Her calm and thoughtful approach enables families to feel supported throughout the rehabilitation journey, with a clear focus on outcomes that matter most to them.

Previous Experience

Senior Staff Nurse – Working for nine years in Paediatric Intensive Care, leading a 10-bed unit supporting children with complex and life-changing injuries. Provided mentorship to student nurses and played a key role in establishing the Paediatric Step-Down Unit, supporting parents in managing complex care needs such as tracheostomies and gastrostomies.

Community and Mental Health Nurse – Delivering emotional and practical support to children and their families, fostering strong, trusting relationships. Promoted social engagement through meaningful activities and outings, helping children to thrive in a nurturing and joyful environment.
