## Current Experience

Sara is a Case Manager working with both adults and adolescents who have sustained complex neurological and orthopaedic injuries, including traumatic brain injury and polytrauma. Her caseload includes clients with significant rehabilitation needs requiring structured, goal-focused input from multidisciplinary teams.

She plays a key role in coordinating multi-disciplinary teams, ensuring that SMART goals are in place to drive timely, effective, and cost-efficient rehabilitation outcomes. Sara also oversees the recruitment and day-to-day management of support worker teams, maintaining high standards of care and consistency in service delivery.

Sara works closely with instructing parties, providing regular progress updates and detailed cost reports to ensure transparency and effective communication throughout the rehabilitation process.

## Previous Experience

Harrison Associates – Managing a large caseload of adults with catastrophic brain injuries and complex orthopaedic trauma. Implemented and coordinated comprehensive care packages, with a strong focus on rehabilitation and vocational reintegration.

Papworth Trust – Leading vocational rehabilitation programmes for adults with severe orthopaedic and brain injuries, supporting clients in returning to meaningful occupation and employment where appropriate.

NHS – Working as an Occupational Therapist across adult acute and community rehabilitation services, paediatrics, and specialist clinics, including seating and wheelchair provision.
