EXCELLENCES IN ALL WE DO...

Telephone: +44 (0) 203 576 0411

Based in London, LCTSS Ltd are passionate about helping you increase your knowledge in any field. Our soft skills training sessions are designed to build upon your existing knowledge and skill set, focusing on the most relevant and up-to-date topics. We are dedicated to helping private sectors, governmental, and NGOs to develop and adopt new vision in achieving their goals. In order to achieve such goal, LCTSS' team are providing quality-training courses led by experts in their field. LCTSS Ltd offer courses in both Arabic and English, allowing you to learn the language and at the pace that is right for you.

LCTSS provides strategic studies that relate to policy making, consultancy and general advising. These studies are designed to support stakeholders in government and private sectors. Our strategic studies are ideal for those wishing to learn more about policy making, planning and capacity building.

OUR TEAM OF PROFESSIONALS

We employ the best instructors, academics and consultants to lead our training courses. Our instructors are highly skilled professionals with extensive experience in local, national and international industries.

When you join one of our courses, you will be working under an expert in their field who is dedicated to seeing you succeed.
