Community & City

- Those who suffer from addictions, depression, anxiety and other mental illnesses and those who care for them.

State, Nation, & World

As Paul writes, we are many parts but all one body in Christ:

- Prayers for all those impacted by the catastrophic flood/mudslide in the Tibet-Nepal region recently.
- Prayers for the countries of Venezuela and Columbia who are continuing their struggle to survive the recent devastating earthquakes.
- Deep prayers for God's intervening grace as combat continues in the Middle East. Prayers for the leaders of our country and all the countries who are making critical life and death decisions daily. We pray that God's gracious intervention will bring countries to peace talks and for combat to an end. We continue to pray for those who stand in harm's way, those who suffer and grieve. We pray for the children. We pray for all who are responding to the devastation in their communities and countries including the churches of the Presbyterian Synod of Syria-Lebanon and all the other Christian churches in this cradle of Christianity.
- We pray for God's grace with continued prayers for peace, justice, reconciliation, and restoration in our country. Holy God may hope overcome hopelessness, wisdom overcome fear and kindness overwhelm hate.
- Prayers for the military and their families as well as civil servants serving at home and deployed abroad
