

# FUNDING FEES & INFORMATION

(FEBRUARY 2026)

### **Nursery Fees from February 2026**

Please find below the monthly fees for children attending The Little Lane Nursery from 1st February 2026 - our standard fees, our fees with universal 15 hours of government funding and our fees with 30 hours of government funding.

A detailed breakdown of the monthly charges incorporating the government funding can be found on the following pages.

Please note: Although the tables refer to half-day sessions, these are no longer available for children starting at The Little Lane Nursery from 1st February 2026 onwards. Families who already have half-day sessions in place may retain these, subject to change, for the duration of their child's time with us unless they choose to amend their booking pattern, at which point full-day sessions will apply.

In addition, the table shows options for fewer than two days per week. While our standard minimum booking requirement applies, there are occasions where some children attend fewer than two days temporarily, for example whilst waiting for availability to increase their sessions.

### **FUNDING TABLES - WHICH ONE APPLIES TO ME?**
