# ABOUT US: 4:12 SPORTS MINISTRIES

At 4:12 Sports Ministries, we care deeply about athletes and coaches and their holistic growth both on and off the field.

We are committed to the long-term growth of athletes - physically, mentally and spiritually. We are working to transform the mindset and culture around sports. There is a story in every win and loss. God is always at work and He is growing and maturing us through this process. We believe it is important for our athletes to see competition from this perspective.

We believe that personal transformation is an on-going process, not an event. Walking alongside imperfect people on a daily basis can be exciting and beautiful, but also hard and sometimes downright ugly. But that's what we are committed to doing because it is what Jesus did and it is what He calls us to do.

With that in mind, our goal is to create programs and events that will ultimately lead to deep, on-going mentorships and relationships. Sports camps and competitive teams are created with the hope and intent that long-term and even lifetime friendships will be formed as a result. We love sports, but we see it as a tool in the hands of God's people to help us fulfill the "Great Commission" and fulfill our purpose of "loving the Lord our God and loving others as we love ourselves" (Matt. 22:37-38).

At 4:12, there is no "aging out". Transformation is a life-long process and we are building a community of all ages and stages. From students to coaches, we are excited to see God build a community of athletes who will grow into the leaders of the next generation who "seek first His Kingdom" in all they do!

# WHY SPONSORSHIPS MATTER: YOUR IMPACT

## Why Sponsorship Matters

Your sponsorship is more than a donation — it is an investment in changed lives. Many of the kids we reach come from homes and situations where they may never step inside a church, but they will show up for sports. That's where our ministry meets them right where they are.

## When you sponsor 4:12 Sports Ministries, you help:

- Provide affordable or free access to sports programs for kids in the community
- Supply equipment, uniforms, and training resources
- Support Gospel-centered camps, leagues, and outreach events
- Create safe, positive environments where faith and character are taught
- Ensure every child hears the message of hope found in Jesus Christ

## Reaching Youth Through Sports

Sports naturally builds trust, teamwork, and mentorship. Our coaches and volunteers don't just teach skills — they build relationships and speak truth into the lives of young athletes. Every practice, game, and event becomes an opportunity to share Biblical values, encouragement, and the Gospel message.

## Your sponsorship helps us:

- Share devotionals and faith lessons during programs
- Train Christ-centered coaches and leaders
- Expand outreach to more families in our community
- Remove financial barriers so no child is turned away

## The Eternal Impact of Your Support

The impact of your sponsorship goes far beyond the field or court. You are helping plant seeds of faith that can shape a child's future, strengthen families, and build a stronger, faith-filled community.

## Because of sponsors like you:

- Kids hear the Gospel in a welcoming setting
- Families get connected to faith-based support
- Young athletes grow in both skill and character
- Lives are impacted for eternity
