ABOUT US:

4:12 SPORTS MINISTRIES

At 4:12 Sports Ministries, we care deeply about athletes and coaches and their holistic growth both on and off the field.

We are committed to the long-term growth of athletes - physically, mentally and spiritually. We are working to transform the mindset and culture around sports. There is a story in every win and loss. God is always at work and He is growing and maturing us through this process. We believe it is important for our athletes to see competition from this perspective.

We believe that personal transformation is an on-going process, not an event. Walking alongside imperfect people on a daily basis can be exciting and beautiful, but also hard and sometimes downright ugly. But that's what we are committed to doing because it is what Jesus did and it is what He calls us to do.

With that in mind, our goal is to create programs and events that will ultimately lead to deep, on-going mentorships and relationships. Sports camps and competitive teams are created with the hope and intent that long-term and even lifetime friendships will be formed as a result. We love sports, but we see it as a tool in the hands of God's people to help us fulfill the "Great Commission" and fulfill our purpose of "loving the Lord our God and loving others as we love ourselves" (Matt. 22:37-38).

At 4:12, there is no "aging out". Transformation is a life-long process and we are building a community of all ages and stages. From students to coaches, we are excited to see God build a community of athletes who will grow into the leaders of the next generation who "seek first His Kingdom" in all they do!

For more information on how to get involved with our ministry, contact us at mdavis@412sportsministries.org
