Parish Meeting Invitation: We extend an open invitation to a parish meeting to be held at Moran Funeral Home located on 13th Street on Wednesday, April 15, 2026, beginning at 6pm. On that evening, we will “walk through” all the facts considered by the parish finance and pastoral councils the past several months which also have been shared in parish bulletin announcements and on the parish website. Please feel free to attend the meeting which will sum up the rationale for an extremely difficult recommendation we must give to Bishop Bambara regarding Our Lady of Grace Church.

Our Lady of Peace Financial Status Since 1 July 2025:

In the overall detail of figures presented, it is obvious that we are just about making it financially as a new parish. It is very clear that funds raised are funds spent on keeping a non-profit organization fiscally stable. Therefore, sharing a few important factors not apparent in this financial overview must be shared. The first factor of note is that our parish has a substantial amount of money in savings, but we have not been able to deposit money there for quite a while. In fact, there have been a couple of instances where some money on deposit has been used to bolster the General Operating Account when the monthly general account balance needed funds. The second factor to consider is that the parish has three rectories, three churches, two school buildings and a parish cemetery in its care. The facilities are old and constantly in need of maintenance and upkeep, especially those that incur high costs for structural upkeep. It is important to realize that this is the case at both sites of worship. The implication here is having the funds for upkeep are not generated as the overview indicates. The third factor to consider is that contributions to the parish through the parish offertory envelope system are not, and rarely ever have been, sufficient to cover all the expenses for keeping a non-profit business financially stable. In fact, as you well know, the cost of everything continues to climb. Note well that a considerable amount of money has been raised through various fundraising efforts sponsored by the MPB site. Moreover, fundraising efforts have hit the limits as to what and when can be done to increase revenue. We owe a debt of gratitude to all who give of their time, talent and treasure to help the parish remain financially stable. There is no way to put a dollar amount on such the human resource it takes accomplish such incredible fundraising work. But without their efforts, we would be in a much more difficult situation financially. Indeed, it looks like we are breaking even, or slightly to the better, at this moment. However, the implications touching upon financial stability and the future success of the parish cannot be overstated, namely, we will need monies to continue to operate and to maintain and upkeep properties that the current picture does not afford. This is especially important in the larger context, namely, when Our Lady of Peace and Saints Cyril and Methodius parishes are linked with only two priests available for parish ministry. Thank you for your generosity and your understanding!
