

3 year old/40 day blessing Date Request Form

Please indicate below your choices for possible blessings dates for your child.

Once this form is turned in to Barb Bonfert, the Pastor will determine which date will work for your child's special day.

Please keep in mind there are many factors to securing a date which is why we ask you to request a second date.

When selecting your date please keep in mind the dates must be 3-4 weeks from the date the request is made. (This will not apply if there is an emergency, then the blessings will happen as soon as possible)
