This Month We Are Supporting Salvation Army Food Bank!

The Salvation Army Food Bank provides food assistance and practical support to individuals and families facing food insecurity in our community. Through the generosity of donors, volunteers, and community partners, the food bank helps ensure that those experiencing difficult times have access to nutritious food.

What is Outreach?

Our outreach committee focuses on connecting the church with the wider community. Their role is usually a mix of service, relationship-building, and awareness. That might include organizing food drives, supporting local shelters, partnering with community groups, or planning events.
