The Courses are open to everybody but are aimed at complete beginners or keen amateurs. You do not have to have an expensive camera just a desire to learn more about photography and how to get the most from your camera.

- Practical 'hands on' training, techniques and creativity with Jack to guide you at all times.
- Small intimate group numbers 3 persons max, 2 if wildlife special. Or you can book a 1:1 with Jack if you prefer.
- Workshops from only £79.00
- Lunch, drinks & cakes included.
- Jack is competent with most D-SLR camera models & brands, including latest mirrorless.
- Free field guide booklets, plus supplements.
- Camera & Lens hire available.
- Fully insured (public liability).
- Vehicle track permits
- Access to private land available when required.
- Free parking at the meet and greet in Minehead.
- Workshops & Courses make popular gifts.
- E-vouchers & Gift Vouchers.

Exmoor photography Courses

LANDSCAPE & WILDLIFE ADVENTURES

Landscape, Birding & Nature Specials, confidence & knowledge in a friendly, relaxed, creative environment.

You're Photography Journey Starts Here. We offer a unique introduction to digital photography that is flexible for all knowledge levels including complete beginners. We guarantee you will finish your day with more knowledge than when you started. Passionate about our customers flourishing with their photography. We go the extra mile to understand you and your camera.

 <p>4hr Taster Workshops</p>	 <p>Std Landscape & Exclusive 1:1</p>	 <p>Somerset Levels Birding Special</p>

 <p>Kingfisher Hide Specials</p>	 <p>Gift & e-vouchers</p>	 <p>Package Offers</p>

Q, Do apertures, shutter speeds & ISO's baffle you?
 Q, Does your camera have other settings that remain a mystery?
 Q, Does reading the manual just confuse you even more?
 A, Then this is the course for you. Jack will help you unlock the full potential of your camera and introduce you to the joy of photography, with clear explanations of everything, he shows you. A5 field guide booklet (up to 47 pages) plus supplements. What better place to learn & improve your photography, than the stunning surroundings of Exmoor National Park & Somerset. We promote ethical wildlife photography.
