President's Report

I have a couple notes about dog safety before I get to the fun stuff:

First, kennel cough is going around. Please keep some distance between dogs in your classes, and keep any dog showing signs of illness (e.g., coughing, sneezing, runny nose or eye discharge) at home.

Second, dogs should be on leash at all times in the parking lot, when entering and exiting the building, and when moving through the building. Off-leash dogs should be confined to the same room as their handler (e.g., during off-leash exercises in class) and may not have free range of the building at any time. Off-leash dogs running up on or surprising other dogs is a recipe for dog-on-dog incidents, which I know nobody wants to happen.

Now to the fun stuff!

Lifetime Member John Pittman and his Standard Poodle Gerard won the 24" class of the Westminster Masters Agility Championship. The Westminster Kennel Club makes a donation of \$1,000 in the names of first place dogs in their height classes, and John generously made the donation to MDTC. Thank you, John!!!

We had a great time at the Sports Show, as usual! Thank you to Mari Pavleje for coordinating the booth and the obedience demonstration, Tracy McCarty for coordinating the agility demonstration, and everyone who volunteered at the booth or demonstrations.

We had another excellent Achievement Trial thanks to our judge Lory Valley, Director of Training and Coordinator-of-a-Trillion-Things Extraordinaire Kim Rinzel, trial secretary Martha Ryan, and everyone else who pitched in. Congratulations to everyone who placed and/or received a qualifying score!

We also held a very well attended Dog and Cat First Aid/CPR workshop, where we spent 3 hours learning about first aid and practicing CPR on dog manikins. I feel much more prepared to handle different kinds of medical emergencies after attending the workshop. Thank you to Kim Rinzel and Sue Steinbach for coordinating with the instructor, and to Peggy Brunner for connecting the club with the instructor!

President's Report - Continued

I am often reminded of how cool our new building is. Someone visiting the club from a different metropolitan area remarked on how lucky we are to have such a great training space. There's nothing like it where they live. I was also recently out of town and looked up training clubs in the area (please tell me I'm not the only one who does this!). There weren't any clubs with a dedicated space, and none of the clubs offered rally, agility, or flyball. What we have is truly special, and it's thanks to the hard work and dedication of many committed club members. I hope you all feel as fortunate as I do!

Thanks for Another Successful Sports Show

Thank you to everyone who participated in any way to make our time at the 2026 Sports Show a success! From set-up to the shows to take-down, your help was necessary and appreciated. Special thanks to Rick Sasek who did an excellent job as emcee again, moving things along from obedience to agility and, finally, to Rio's Go Dog Go demonstration. The crowd always loves the agility portion of the show because of the skills of all of the dogs and, I think, because we always have a lot of different breeds participating.

Thanks to everyone in the booth encouraging people to enter the drawing for the free membership, we had 115 entries this year.

We hope the winner will be joining us soon!

Again, thanks everybody!

General Membership Meeting

Membership meeting minutes will now be sent separately from the newsletter, so watch your email for those.

MDTC Officer and Board Elections

The MDTC Officer and Board Elections will be held at the General Member Meeting at the Outdoor Club on May 27th, 2026. Please plan to attend this meeting and vote so that we have the necessary quorum to complete.

CURRENTLY the Slate of Candidates are as follows:

1 Year Terms

- President: Erin Ruppel
- Vice President: Mari Pavleje
- Secretary: Katie Schmidt
- Treasurer: Laura Lown

3 Year Terms

- Board Member: Daryl Stuppan
- Board Member: Yaakov Cohen

Martha Ryan has decided to step down and not re-run for her board member position.

Additional nominations will be accepted and welcomed from the floor at the April 29th General Member Meeting. You must accept the nomination in person at the meeting or have sent an email accepting the position to the secretary Katie Schmidt (katierschmidt29@gmail.com) prior to the April 29th meeting.

To run for office a person must meet the following criteria:

- Belong to MDTC for a minimum of 1 year
- Must be up to date on club dues.

If you have questions, please contact an Election Committee member (Amelia Harsh or Kris Conell) who will explain the procedure:

MDTC NEEDS YOU!

Our AKC Obedience and Rally Trial needs volunteers to run smoothly and efficiently!

Dates: June 6th and 7th

Times: 8:00am – 5:00 pm

(The trial may get done earlier – depends on the number of entries.)

You may bring your dog IF it is crate trained, since it must be crated at the trial.

Our trial is held in Ixonia, about an hour west of the Indoor Club. (easy to get to, and there is the option to carpool)

Right now, we need 30 volunteers to fill all the spots for both days. Obedience trials are on Saturday, Rally trials on Sunday. You can work Saturday, Sunday, or both days – whatever works for you! The jobs are easy to do and you will be working with others who can answer any questions. You'll learn a lot from watching the competing teams. There is free food and a chance to win worker gas card raffles! Please sign-up at either club or e-mail me at Darylstuppan@aol.com with the subject line of "AKC Volunteer".

Thanks! Daryl

SHOW WINS AND BRAGS

Darlene Wilson and Daisy: CPE Speedway. On March 15th at Paws in Motion, Daisy earned her Elite title.

Leigh Anne Gerard and Missy: MDTC Achievement trial. 1st place in Beginning Novice B at the Achievement Trial with a 188 score.

SMALL RITUALS CAN TRANSFORM TRAINING.

Predictability isn't boring—it's comforting. Dogs thrive when they can anticipate what happens next. Consistent routines help them relax and learn because the world feels safe.

A predictable pattern—like starting each session with a simple cue or walk ritual—signals safety and focus. When your dog knows what to expect, their mind stays open to learning.

Create a “start-of-training” ritual—a simple cue, a breath, a short wait. Repeat it every time you train. Watch how quickly your dog settles into readiness.

Routine builds safety, and safety builds trust.
