Dear Citizens,

Over the past few years, my team and I have worked relentlessly to make Saint-Bruno a truly exceptional city – one that offers a unique quality of life, all while restoring a sense of harmony and unity. Driven by a strong spirit of collaboration, we have resolved numerous issues, improved our city's infrastructure and services, and moved forward with projects that reflect your priorities and values. In fact, Saint-Bruno has seen more groundbreaking initiatives in the past decade than ever before — a clear sign of our shared momentum and progress.

We have demonstrated that we are truly attentive to your concerns and stay connected with our community. Most importantly, we have kept our promises.

Our administration has also embraced full transparency by enhancing the city's communications and, for the first time in Saint-Bruno's history, providing you with an annual report detailing the municipal council's achievements.

I am incredibly proud of the progress we have made today. But there is still much to be done — and the best is yet to come for Saint-Bruno. That is why my team and I are seeking a second mandate to continue leading our beautiful city forward. With a strong, competent team united by that shared vision, We are determined to keep advancing Saint-Bruno and delivering results that matter to you.

Rest assured, I will remain a mayor who is close to the people, attentive to your concerns, and always honest with you.

In my photo, you will notice a portrait of former mayor Marcel Dulude in the top right corner — a leader known for his close connection to the community and his remarkable effectiveness. He served as a role model for me, and I strive to uphold the same values of integrity, dedication, and service in my role as mayor.

As a fifth-generation Montarvilleois, my roots in this community run deep. I have a profound love for our city and its people. It is both an honour and a privilege to serve as mayor of our beautiful city and to raise my family here — in a place I proudly call home.

Our electoral platform is outlined in the following pages. It is the result of extensive work and a commitment to understanding your concerns. We trust you will find ideas that inspire you for the future.

Montarvilleois and Montarvilleoises, we are on a remarkable path — let's keep the momentum going!

Ludovic Grisé Farand, M.Sc., CPA
Mayor of Saint-Bruno-de-Montarville

ESSENTIAL BASIC SERVICES – For a Clean, Efficient, and Safe Saint-Bruno

- **Snow removal:** Maintain a high standard of snow removal service and consistently seek opportunities for improvement.
- **Road conditions:** Continue the intensive repair of our streets, sidewalks, and bike paths.
- **Collections:**
 - Maintain the current collection frequency; no reduction will be considered.
 - Simplify branch collection.
 - Review our contracts to allow for emergency collections (e.g., branches after a storm).
- **Power outages:** Continue to urge Hydro-Québec to enhance grid maintenance to reduce the frequency of power outages.
- **Flooding:** Improve the resilience of our infrastructure to minimize the risk of flooding in our area.
- **Police:** Continue our efforts to secure better police presence from the Longueuil agglomeration.
- **Smart city:** Explore how artificial intelligence can help us enhance the services we offer to citizens — all while maintaining the highest standards of quality.

SENIORS – For a Saint-Bruno That Cares and Stands Together

- Provide free public transit for residents aged sixty-five and over during off-peak hours (RTL).
- Continue supporting the development of intergenerational housing.
- Ensure that all park revitalizations include intergenerational activities and equipment.
- Implement projects that foster mutual support between generations and assist natural caregivers.
- Increase the number of benches throughout the city, especially along main thoroughfares.
- Install more relaxation furniture in public spaces such as swings and picnic tables.
- Reduce social isolation among seniors by offering more events and activities designed for them.
- Identify solutions to assist seniors who receive the Federal Guaranteed Income Supplement.

FAMILIES – For a Saint-Bruno That Evolves with Its Children

- Promote configuration and measures to calm traffic and reduce speeding to make residential neighborhoods safer.
- Implement the school mobility plan to ensure safe travel near schools and support active transportation initiatives.
- Support the establishment of new Early Childhood Centers (CPE) or subsidized daycare centers, and plan for accessible land for these facilities.
- Support new elementary school projects in Saint-Bruno and actively collaborate in their development.
- Continue revitalizing neighborhood parks and plan for year-round use — including chalet renovations, splash pad installations, modernized playgrounds, new sports facilities, and a variety of activities for all ages.
- Maintain high-quality events, entertainment, and activities for families.
- Provide adapted services and equipment for children with special needs and support their families.

SPORTS INFRASTRUCTURE – For a Fit and Healthy Saint-Bruno

- Complete the construction of the multisport complex.
- Continue upgrading sports facilities, (including soccer, baseball, basketball, tennis, pickleball, hockey, and more).
- Revitalize Rabastalière Park, transforming it into a sports and relaxation hub in the heart of our village.
- Study the feasibility of building indoor soccer fields.
- Continue advocating for the transformation of the former Mont-Saint-Bruno shooting range into an outdoor and recreational tourism destination, developed in an environmentally responsible way.
- Create a disc golf course in Marie-Victorin Park.

ARTS, CULTURE, HERITAGE, AND COMMUNITY LIFE – For a Vibrant, Creative, and Proud Saint-Bruno

- Take advantage of the fire station relocation to create a new cultural hub adjacent to city hall, which will include a new library.
- Display the collection of entomologist Georges Brossard, acquired by the city, as a permanent and educational exhibit in the new library.
- Expand access to community spaces for our citizens and organizations.
- Utilize recently acquired land at Lakeview and Montarville to enhance activities at Lac du Village.
- Consult the public to determine a beneficial community use for the city-acquired land on Chemin de la Rabastalière Est (91 and 93).
- Continue implementing the Arts, Culture, and Heritage Action Plan.
- Strengthen our regulations to safeguard our heritage and launch a financial assistance program for the renovation of heritage homes.
- Continue providing financial support to our community organizations.

DOWNTOWN AND URBAN PLANNING – For a Dynamic Saint-Bruno with a Unique Living Environment

- Expand Place du Village by completing the acquisition of adjacent land to create a vibrant, multi-purpose space for events, performances, public markets, and more. Then, connect this enhanced Place du Village to the new library to foster a dynamic and inclusive community hub.
- Maintain regulations that protect the unique character of our village core and preserve a human-scale downtown.
- Revise the Urban Plan to better guide development, preserve the town's unique charm, and protect the exceptional quality of life that defines Saint-Bruno
- Continue the Christmas festivities and the giant tree-lighting ceremony.
- Promote local shopping and allow for more terraces at local businesses.
- Improve the permit application process.

FINANCES AND PROPERTY TAXES – For a Responsible and Financially Healthy Saint-Bruno

- Maintain a reasonable tax level that respects residents' ability to pay.
- Review each municipal department to optimize resources and improve process efficiency.
- Continue advocating for reforms within the Longueuil agglomeration to establish a fairer cost-sharing model.
- Favor negotiation over confrontation to achieve the best possible outcomes for Saint-Bruno citizens at the Longueuil agglomeration level.
- Continue participating in the provincial financial assistance program for homes with foundation damage.

ENVIRONMENT AND SUSTAINABLE DEVELOPMENT – For a Green and Resilient Saint-Bruno

- Protect our woodlands and green spaces by leveraging available grant programs to support cost-effective land acquisitions when needed.
- Continue conducting the action plan to preserve Lac du Village and Lac du Ruisseau.
- Implement the City's Climate Plan, which includes several measures to combat climate change.
- Develop a greening and reforestation plan and explore the creation of micro-forests.
- Increase the number of electric vehicle (EV) charging stations throughout the city.
- Expand the urban agriculture policy and support the establishment of community gardens.

ACTIVE MOBILITY AND TRANSPORTATION – For an Active and Accessible Saint-Bruno

- Implement the City's Sustainable Mobility Plan to strengthen our efforts in improving personal mobility and enhancing public safety.
- Complete Phase 2 of the bike path along Montee Sabourin and continue developing the city's cycling network.
- Collaborate with RTL to introduce a new direct bus line connecting Saint-Bruno to Cégep Édouard-Montpetit and Pierre-Boucher Hospital.
- Partner with RTL, Exo, and surrounding cities to enhance intercity transit connections and introduce an on-demand transit zone.
- Enhance public transit service and scheduling, maintain a connection to the REM, and install bike racks at major bus stops.

HEALTH AND LIVING ENVIRONMENT – For a Saint-Bruno Where Life Is Good

- Negotiate with SÉPAQ to restore free entry for residents to Mont-Saint-Bruno.
- Revitalize the dog park by adding furniture and play structures to make it more user-friendly.
- Advocate for residents' interests regarding the development of the Montréal Metropolitan Airport (formerly Saint-Hubert Airport) and continue efforts to reduce nuisances such as banning night flights, routing flights away from residential areas, implementing measures to reduce traffic congestion.
- Study the feasibility of creating a new dog park in the neighborhood south of Route 116 that will not disturb nearby residents.
- Continue our beautification initiatives and uphold our commitments to the “Fleurons du Québec” and “Ma ville en couleurs” contest.
- Maintain the public market and Christmas festivities.
- Increase the supply of social and affordable housing.
- Advocate for the establishment of public medical clinic projects.

CITIZEN PARTICIPATION AND GOVERNANCE – For a Saint-Bruno That Listens to Its People

- Continue public consultations to ensure residents can express their opinion on significant projects and hold referendums when required.
- Maintain a straightforward, transparent, and effective consultation process.
- Continue the publication of an annual report detailing accomplishments to promote transparency and update the community on major projects.
- Maintain the Council BBQ events in each district to meet with citizens and listen to their concerns.
