

## United Moving and Storage Privacy Policy

Agency Privacy Policy Every Agent must also have a privacy policy for their own business that discloses to the public how it gathers, uses, discloses, and manages data ("Privacy Policy") and post it on all of their public facing websites that reference UniGroup's brands/business offerings. • Your Privacy Policy(ies) must include the following paragraph: We provide relocation services and/or other related services ("Relocation Services"), both under our own brand/authority and on behalf of [fill in affiliated Van Line brand referenced on Agent's Website]. Specifically, we an independently owned local moving company that operates, sells and provides a variety of our own Relocation Services or related services, typically locally and/or intrastate, that are outside of our relationship with [fill in affiliated Van Line brand] and have absolutely nothing to do with [fill in affiliated Van Line brand]'s Relocation Services or other services. We also represent United Moving and Storage and sell/provide United Moving and Storage's (typically interstate) Relocation Services; while we are legally acting on United Moving and Storage's behalf, we are called an "Agent" of United Moving and Storage. For information we send to and/or receive from United Moving and Storage and/or its related companies in relation to United Moving and Storage's Relocation Services/business, the terms of United Moving and Storage's Privacy Policy and Data Security Policy shall apply. You also can learn about United Moving and Storage's cookie management and, when applicable, opt out of United Moving and Storage's sale/sharing of your information at [link]. United Moving and Storage's Privacy Policy and our other, related policies do not apply to information collected by us for our independent business(es).
