ABOUT US

Founded in 1917, the Harold Colbert Jones Memorial Community Center (Jones Center) was established to strengthen family ties, emphasize the worth of God's children (all persons), and answer a community need. We continue to pursue this mission in all that we do.

Jones Center provides a wide range of programs that support the entire family. While we are best known for our exceptional out-of-school time youth programs, we also offer vital emergency services such as a food pantry, clothing closet, hot meals, senior services, and community outreach such as workforce development, financial literacy, and health and wellness initiatives. In short, we offer services not otherwise accessible to our community. These programs help provide immediate crisis relief, recreational outlets that offset the stress of poverty and community circumstances, and long-term educational opportunities for personal growth and enrichment.

All of this work is carried out from our historic building located on the East Side of Chicago Heights. We remain committed to our founding mission and are proud to be a trusted source of support, connection, and hope for the community we serve.

MAKING AN IMPACT

At Jones Community Center, we are more than programs—we are a safe haven, a support system, and a place where opportunity begins.

Because of supporters like you, we are making a measurable difference across our community:

- Investing in Futures: Each April, we award scholarships to graduating seniors pursuing college or trade school. Since 2021, we have invested over \$60,000 in student success.
- Empowering Youth All Summer: Our Summer Fun Club Day Camp serves 100+ children, providing enriching activities, weekly field trips, and two hot meals each day.
- Supporting Success After School: Our afterschool program offers homework help, structured activities, and a hot meal, giving children the tools to thrive.
- Bringing Community Together: Our Halloween and Christmas Extravanzas create joyful, memorable experiences for families throughout Chicago Heights.
- Caring for Seniors: Our senior program fosters connection, engagement, and belonging, reducing isolation and strengthening lives.
- Meeting Essential Needs: Our food pantry and clothing closet serves over 250 families, providing critical support during times of need.
- Reaching Thousands: Each year, the Jones Center serves more than 3,000 individuals, delivering programs that uplift and strengthen our community.

YOUR SUPPORT MAKES THIS POSSIBLE

Behind every number is a story, a child gaining confidence, a senior finding connection, a family receiving hope.

NOW IS THE TIME TO MAKE AN EVEN GREATER IMPACT
