

FISH & CHIP TAKEAWAY

With the national lock down restricting customers from dining-in, we're here to help your business adapt to a dining-out service to keep your customers satisfied this winter.

We've compiled together a menu of everything you need to offer the nations old time favourite and quintessentially British takeaway; Fish and Chips. Piping hot, freshly cooked fish and chips smothered in salt and doused in vinegar, served with curry sauce or mushy peas. We've included all off the extras too; sausages and burgers, sauce sachets, chip boxes, soft drinks and more.
