Wings that'll have your menu flying high!

Get ready for Wing Fest season with our sizzling range of chicken wings - perfect for foodservice operators looking to tap into the excitement this summer!

With Wing Fest taking place throughout the summer, it's the ideal time to elevate your menu with crowd-pleasing flavours. Our diverse selection of wings is available now, offering great value and versatility whether you're serving them as a main, side, or shareable platter. Plus, we've got you covered with ingredients to create bold, Cajun-style rice - an ideal pairing for your wing specials. Stock up now and make your menu Wing Fest-ready!

Your wings' best sidekick Cajun Rice

Serves 4

Ingredients

- 1 tbsp vegetable oil
- 120g frozen sliced mixed peppers
- 120g frozen diced onions
- 900ml chicken stock
- 4 tsp blackened Cajun seasoning
- 2 tsp salt
- 300g basmati rice, rinsed
- Fresh lemon

How to

Heat the oil in a large saucepan over a medium-high heat. Add the peppers and onions and sauté for 5-7 mins, or until softened.

Pour in the chicken stock, then stir in the Cajun seasoning and 2 tsp of salt. Bring to a boil.

Add the rice, stir to combine, then cover with a lid. Reduce the heat to low and simmer for 20-25 mins, or until the rice is tender and has absorbed the liquid.

Turn off the heat and squeeze in some fresh lemon juice. Cover again and let rest for 10 minutes, then fluff the rice with a fork and serve.

RECIPE INSPIRATION

Piña colada

Serves 1

Ingredients

- 120ml pineapple juice
- 60ml rum
- 60ml coconut cream
- Wedge of pineapple

How to

Blitz the pineapple juice, rum and coconut cream in a blender until smooth. Pour into a tall glass and garnish with a wedge of pineapple.

Belvoir's beautifully crafted, non-alcoholic canned cocktails are perfect on their own or elevated with a splash of our premium spirits. Pair them with our clear takeaway cups for a polished, practical serving solution ideal for outdoor events, picnics, and grab-and-go service. Simply chill, pour, and garnish for bar-quality refreshment in seconds - *no mixologist needed.*
