how we're different

We have a dedicated field sales force backed up by our friendly and efficient office team, together with a professional group of drivers, pickers and warehouse staff. We pride ourselves on the level of customer service and quality we are able to offer.

Most of all, we have a personal touch and a genuine understanding of your business. This is how we do it:

SERVICE

Everyone talks about “customer service”, “family values” and “going the extra mile” but these words are meaningless marketing jargon unless you can back it up with something exemplary.

Your Area Sales Manager can assist in any way that you require. From helping plan and budget menus, to troubleshooting on your behalf. They ensure that you get the right service – from day one.

Ordering is extremely easy, by calling our telesales department and placing your order with our telesales operators whom have first-hand knowledge of your account.

We can schedule a call with you on set days and times, so you don't have to remember to call us, we'll call you. This means no missed orders and no shortages in the kitchen.

In foodservice, it's easy to stay with the “tried and tested”; items that you know will sell well, but that can be a dull way to do business. Food is about innovation, trying flavours and offering seasonal combinations. As a reflection of this, we carry various lines of products offering not only a variety of traditional entrées; but unusual and on-trend foods and ingredients. All of which are sourced from new and upcoming brands who we believe to be of excellent quality and “The Next Big Thing”.

Most importantly, we search out these food-stuffs and secure them at competitive prices to pass along the savings to you. Just because it's new and exciting doesn't mean it has to be expensive.

ONE SIZE FITS ALL?

Businesses are individual and their needs vary. From a restaurant that seats 200, to a café with just 10 tables, we understand that a certain amount of flexibility is required.

Some foodservice providers will only sell full cases of ambient and frozen products meaning you're stuck with far more than you currently require and are obliged to store the excess on your premises. In response to this, we offer split case products.

SALES

Our telesales department is staffed by professionals familiar with your business. After the order is placed, your items are picked in our warehouse overnight for delivery the next day. Throughout the process, the items are checked for accuracy twice before leaving our depot and again whilst being unloaded off the delivery truck. In the unlikely event of an error or damage, we will do our best to put it right as quickly as possible.

We operate a modern fleet of purpose built, multi-temperature vehicles ensuring your order reaches you in perfect condition. These are just some of the ways we're different from the competition.

how to order

OVER THE PHONE

Have your account number and a list of Stock Codes you require. Call us on 01803 664422, and one of our telesales team will take your order and read it back to you. Your order will be delivered the next day by one of our multi-temperature vehicles.

HALLETT'S THE BAKERS

HALLETT’S THE BAKERS

Hallett’s the Bakers is the leading supplier of craft baked bread and rolls in South Devon.

“In December 1993, Hallett’s the Bakers opened the doors of their craft bakery business in Winner Street, Paignton to serve the local community with traditional craft baked goods. Since then the customer base has steadily grown and now provides a wholesale service to schools, hospitals, garden centres, farm shops and retail shops throughout Torbay, South Hams, and Exeter. Our teams of bakers make bread and rolls in our bakery every day.

Once baked these items are cooled and packed overnight and delivered next morning. With over 100 lines to produce from order to delivery in just 12 hours there is little room for error. We strive to offer our customers good honest food, traditionally made and using natural ingredients, colour and flavourings wherever we can.”

SPARKLING

UN328	Gobillard Brut Rosé A charming pink Champagne from Hautvillers, a village made famous by Dom Pérignon. It has a delightful salmon pink hue, with scents of freshly picked strawberry and raspberry fruit, toasted brioche and garden blossom. Perfect for any celebration, but it'll also make a lovely accompaniment to a wide range of dishes - from shellfish through to summer berries. <i>France.</i>	6 x 75cl
-------	--	----------

UN034	Moët & Chandon Brut NV Vibrant, generous and alluring, the Moët Impérial style is distinguished by a bright fruitiness with notes of green apple and white flowers. The wine's enticing palate, redolent of white-fleshed fruits and citrus is enhanced by fine bubbles and its elegant maturity is revealed in notes of brioche and wheat. <i>France.</i>	6 x 75cl
-------	--	----------

UN035	Bollinger Special Cuvée A sophisticated and complex Pinot Noir dominated Champagne which has the distinctive toasty finish of the Bollinger House Style. Delightful pale gold in colour, the mousse is light and persistent. <i>France.</i>	6 x 75cl
-------	---	----------

UN038	Lanson Black Label NV Hints of spring flowers with a touch of toast and honey. This is followed by strong fruit and balancing citrus flavours. With a history dating back to 1760, Champagne Lanson is the third oldest house in Champagne and was awarded the Royal Warrant in 1860 by Queen Victoria. <i>France.</i>	6 x 75cl
-------	--	----------

UN041	Hattingley Valley Classic Reserve NV Our Classic Reserve is pale gold in colour with delicate and fine long-lasting bubbles. The beautifully complex bouquet combines aromas of green apples with creamy nougat, freshly baked brioche and delicate toasted notes from ageing in bottle. On the palate, the complexity continues with notes of soft lemon sherbet, biscuit and a subtle oak character. Refreshing and perfectly balanced, with a delightfully long finish. <i>England.</i>	6 x 75cl
-------	--	----------

UN514	Tosti Pink Moscato	24 x 20cl
UN515	Tosti Pink Moscato	6 x 75cl

--	---	--

WINE33	Tosti Prosecco	6 x 75cl
WINE60	Tosti Prosecco Magnum	1 x 1.5ltr
