Welcome from the President

website, forms

It is with great pleasure that I can welcome you all, on behalf of my fellow directors, to this the 191st annual Kilmacolm and Port Glasgow Agricultural Show in the idyllic settling of the Knapps Loch, Kilmacolm. It is without a doubt one of the most scenic showground settings.

On behalf of the society, I'd like to offer my sincere thanks to past president, Neil Wright, for his great work and for his support and words of encouragement as I venture into my first year as President. I would like to thank my fellow directors for all their hard work without which putting on such an event as this would not be possible. A special mention must go to Mandi Brown and Giulia Canata because without their organisational skills and long hours of commitment we would struggle to pull the show together.

My thanks go to the light horse committee, the homecraft section and the dog convenor for their huge contribution to the show. I would also like to thank the MaLay family and John Smith for allowing the show to be held at the Knapps.

Our thanks to the judges and stewards who attend on the day and all the exhibitors and sponsors who support the show.

Finally my thanks go to you. The success of the show is found with the many competitors and public that attend, contribute and support us. Thanks to you all and I hope you have a most enjoyable day.

Thank you very much to our judges, stewards, volunteers, advertisers, sponsors and supporters without whom the show could not be held. We are extremely grateful for their generosity and time given throughout the year and on the day of the Show.

Our Show Team work around 3,000 hours every year to make the show happen - the only thing they don't organise is the weather!

We would like to say a huge thank you to Inverclyde Council who have supported the show generously over the last few years and enabled us to make it bigger and better!

Massive thanks to Neil Wilson and the Malcolm family who help us prepare the showfield and cross country course each year.

A huge thank you to Jackie MacRae and Lenore Ramsay for the hundreds of hours it takes to build our Cross Country courses - they spend days, evenings and nights, often wearing headtorches and full waterproof gear, building jumps and repairing the ground to create our amazing courses. Join us at The Knapps Experience, where visitors of all ages can enjoy the beauty and diversity of rural life. Discover, learn, and connect with nature in our agricultural and environmental education area, right in the heart of the show.

There's plenty more to enjoy throughout the day! Join the Kilmacolm Library team for a song and story session at 11am. Jade from Sense of Nature will introduce you to a variety of amazing critters and you can get creative with art activities led by Dawn from Picture This Paisley.

Show History

ESTABLISHED 1835

scan to see our
website, forms
and schedules

The show was established in 1835 to bring the rural community together and promote best practices in livestock, dairy and crop production. The event has stayed true to its origins but classes have evolved from just Cattle, Sheep and Horses. Biscuit Baking and Homemade Butter were first recorded in the schedule in 1894 and the dog section arrived in 1923.

For generations of local farming families it has been a day to come together with family and friends, show off their animals and produce to the wider community, and put on their finery... as well as have some friendly competition with neighbouring farms!

From 1835 until 1952 the show was held in different venues including Planetreeyetts, Port Glasgow and Lawpark. As the popularity of agricultural shows grew throughout the Victorian period, trade stands, stalls and ice cream vendors were added. In 1897 the first pipe band was booked for entertainment and in 1933 an Industrial Section was introduced including Baking, Eggs and Embroidery. In 1953 the show settled at the Knapps where it has been held ever since. It was around this time that the combustion engine replaced Clydesdale horses which dwindled almost to extinction in favour of new machinery and tractors. Clydesdale horses are

now kept as pleasure horses and are a favourite with spectators. We are lucky to have a great array of vintage tractors displayed at the show each year.

In 2020 and 2021 the show faced a new challenge having only previously been cancelled by war and Foot and Mouth disease - Covid forced the Show off the field so it entered into the realms of cyberspace. The virtual shows were a great success with exhibitors enthusiastically filming and photographing everything from Handy Pony challenges to the muckiest dog competition.

In 2022 we were back on the showfield and raring to go with the sun shining. The show enjoyed its largest ever turnout, and this popularity, and good weather continued in the following years. This year, we look forward to enjoying many of the same classes and entertainment of the generations before us and hopefully the great weather of the past few years.
