

Reach Ministry – The Reach Ministry exists to fulfill the Great Commission by serving locally, nationally, and internationally through outreach and giving. This team meets once a month to plan and support mission opportunities that make a meaningful impact. Reach Ministry has assembled and distributed Blessing Bags, supported organizations like Coastline Women's Center and Fostering Hope, donated food to local food pantries, packed Operation Christmas Child shoeboxes through Samaritan's Purse, and connected with our community by participating in local events such as Poochamania. Whether serving nearby or supporting ministries around the world, Reach Ministry seeks to share the love of Christ through practical acts of compassion and service.

Hospitality Team - The purpose of this team is to ensure that the details of planned events like food, decorations and event setup and cleanup are taken care of. Some of their most recent successful events include Beach Worship and Baptism and game night.

Finance Team - The purpose of the Finance Team is to plan and oversee the church budget and the management of the church resources.
