Charity NIC106365
Charitable income £2,480,423
Charitable expenditure £2,445,202

90% of resources spent on services for young people.

We distributed £609,429 to partner charities to deliver services.
14,345 unique visitors to VRF

6421 visits to workshops by young people
A fabulous fun resource maintaining essential communication and participation. Proves that adversity brings creativity. An important lifeline for young people. Bravo!
8806 young people connected into our services to support their well-being.

448 qualifications were achieved by young people.
