GAME DAY & PRACTICES

COMMUNICATIONS

All KOPSC communications will be sent through Playmetrics. Users may download the app or login via our website (www.kopsc.org). The individual who registered their player(s) is the account owner. Account owners can add additional users as needed. For more information, visit <https://help.playmetrics.com/HC/EN-US>

PARKING

Please keep the emergency entrances to the field and general entrances to the parking lot clear by parking in legal parking spaces when visiting Baxter field. We appreciate your patience when parking and thank you for putting safety first!

FIELDS

Fields for our Junior Prussians are numbered 1-8 and fields for our Development Academy are lettered A-D. Check your schedule and our field maps to determine where you should meet your team for practices and on Game Days!

SPECTATORS

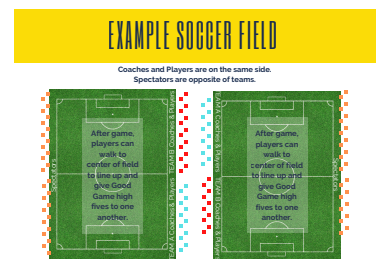

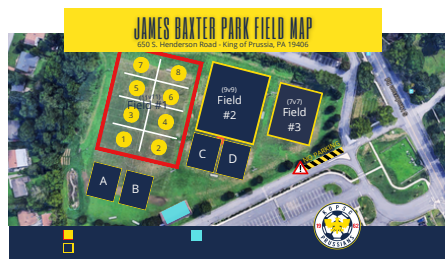

To reduce distractions for our players, we ask our spectators to sit on the outside of our fields, opposite the players & coaches. Please also be respectful of the players and coaches during game time. Please cheer with positive feedback and leave the direction about gameplay to the coaches.

PLEASE REMEMBER...

- these are kids
- this is a game
- Coaches are volunteers
- Refs are humans, too
- There are no MLS scouts here today

PARENT HANDBOOK

WEATHER

Pay careful attention to Playmetrics in the event of questionable weather; any delays or cancellations will be communicated via Playmetrics. We will do our best to cancel practices by 4pm the day of practice and games at least an hour before the game.

Questionable weather includes storms, heat, cold, and poor air quality. Guidelines for weather cancellations are governed by Eastern PA Youth Soccer Association (EPYSA) in conjunction with US Soccer.

LIGHTNING & SEVERE WEATHER

Game play/practice must be suspended in the event of severe weather. Outdoor activity may resume 30 minutes after the last sound of thunder or flash of lightning. The 30-minute clock restarts every time lightning flashes or thunder sounds.

HEAT

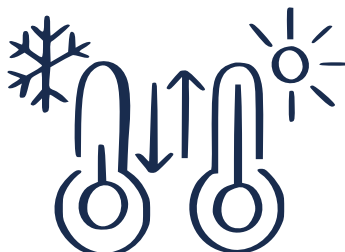

A three-step Heat Guideline Set is used to evaluate danger levels and appropriate responses to those various levels. The Wet Bulb Globe Temperature (WBGT) is used for this analysis; King of Prussia is designated as Category 2. For more details, visit: <https://www.recognizetorecover.org/environmental/#heat-guidelines>

COLD

Cold Temperature guidance is based on the wind chill temperature (WCT) Index. The National Weather Service wind chill chart can serve as a guide to safe play in cold weather. For more details, visit: <https://www.recognizetorecover.org/environmental/#cold-weather-guidelines>

AIR QUALITY

If teams are aware of a potential air quality issue in their area, they must monitor the situation and use www.AIRNOW.gov to determine AQI in the local market. AQI over 200 mandates the event be cancelled. For more details, visit: <https://www.recognizetorecover.org/environmental/#air-quality>

VOLUNTEER

**{ TOGETHER EVERYONE
ACHIEVES MORE! }**

COACH

We wouldn't have a soccer season without our amazing volunteer coaches - Join us! Not a soccer expert? We offer training!

EVENTS

We are always looking for help at tournaments, fundraisers, and other club events.

CONCESSIONS

Sign up for a shift (and free snack) at our concession stand - look for sign-up emails throughout the fall season. We are also looking for opener, closer, and a potential manager.

PINNIES

We use our pinnies throughout the season - we're looking for a volunteer(s) to wash the pinnies and return them to the field.

JOIN A COMMITTEE

Fundraising, event planning, concessions - our committees are always looking for helping hands!

**INTERESTED IN ANY OF THESE OPPORTUNITIES?
EMAIL BOARD@KOPSC.ORG TO SIGN-UP!**

SPONSORS

Do you own a business? Each year we line the fences at Baxter Field with banners from our sponsors and this year we want to see it packed! Email fundraising@kopsc.org if you're interested in the opportunity to sponsor our club.

As always, we greatly appreciate the parent and child involvement of this organization!

FINANCIAL AID

KOPSC believes no child should be denied the opportunity to play because of financial hardship.

Financial assistance is available for families who need help with registration and other team fees (uniforms, tournaments, etc.). Inquiries are confidential and reviewed quickly, simply click the link at the top of the final checkout screen when registering.

REFUND REQUESTS

Competitive Academy Policy

When a player accepts a roster spot with a KOPSC team, that acceptance is considered a full-season commitment. Team placement decisions, including those impacting new and returning players are made based on these commitments.

Refunds will not be issued once a roster spot has been accepted, except in the following cases:

- The family is relocating out of the area
- The player has a documented medical condition that prevents participation

All exceptions will be reviewed on a case-by-case basis and may require documentation. If a refund is approved, it will be prorated based on participation and subject to a 5% processing fee.

This policy protects roster integrity and ensures fairness to players evaluated based on assumed team continuity.

Intramural and all other programs

For all non-travel programs, refund requests must be submitted **at least two weeks prior to the program's start date**.

- Approved refunds will be issued **minus a 5% processing fee**
- **No refunds** will be issued once a program begins

Additional Information

- Refund requests must be submitted via the [KOPSC Contact Form](#).
- This policy applies to all registrations, unless otherwise noted in program-specific materials.

Thank you for supporting our mission to provide a consistent and fair team experience for all players.
