WELCOME TO KAWARTHA GYMNASTICS

We are thrilled to welcome all of our new MAG families to our KG competitive program and welcome back to our returning families for the 2026/2027 season!

Our competitive program is designed to help athletes build strength, confidence, resilience, and a deep love for the sport of gymnastics. We believe in fostering a well-rounded athlete by developing not only physical skills but also life skills such as discipline, teamwork, and perseverance.

Kawartha Gymnastics is committed to creating an inclusive and supportive environment where every athlete feels valued and empowered to reach their full potential. We care deeply about the well-being of each athlete, and our coaching team works hard to ensure every child feels welcome, respected, and part of the KG family.

The competitive season runs from July through to the end of June, with athletes training 2 times per week. Athletes will focus on mastering core gymnastics skills in Floor, Pommel Horse, Rings, Vault, Parallel Bars and High Bar.

At Kawartha Gymnastics, we are more than just a team – we are a community that values respect, dedication, and personal growth.

We can't wait to kick off this season!

MISSION STATEMENT

Kawartha Gymnastics is a not-for-profit, Gymnastics Ontario sanctioned organization dedicated to providing the community with a complete range of gymnastics programs focusing on fun, fitness, and fundamentals through excellent coaching and individual attention in a safe, caring environment. We offer challenges and opportunities to develop confidence and well being for all individuals.

KG is committed to protecting the privacy, confidentiality, accuracy, and security of the personal information that it collects, uses, retains, and discloses while conducting business.

PROGRAM OVERVIEW

Men’s gymnastics has a variety of pathways for all skill levels. KG is proud to offer the Invitational pathway and Provincial pathway with the goal of offering the Elite pathway in the future.

- **Ontario Gymnastics:**
 - Developmental Pathway:** introducing gymnastics to our really young athletes.
 - Invitational Pathway:** Develop fundamental movement skills, with emphasis on participation and having FUN.
- **Canadian Provincial Pathway:**
 - Level 1-2: COMPULSORY:** A compulsory competitive program offering different pathways for gymnasts based on skill level and commitment.
 - Level 3, 4, and Provincial Open:** OPTIONAL Build up physical capacities including strength, speed and flexibility with major fitness development stage; greater attention to mental preparation.
- **Canadian Elite Pathway:**
 - Developmental:** major fitness development stage; with great attention to mental preparation in a specialized coaching and training environment.
 - High Performance:** Advanced mental preparations and practice under highly competitive conditions with focus is on podium performances at a high level.

MEET THE TEAM

Ibraheem(Abe) Daya
MAG Director

Abe started gymnastics at 15 and he rose to National Open by 18! Specializing in floor, rings, and high bar, he’s still training to compete at the senior national level. As a coach, judge, and mentor, Abe brings an elite-level mindset with a calm, guidance-driven coaching style. His leadership has produced athletes for Nationals, Canada Winter Games, and Eastern Championships – and now he’s ready to share his passion for the sport here at KG.

Carl DeWaard
MAG HEAD COACH

Carl has been an integral part of KG for over a year, growing our Boys Rec and Advanced Rec programs with energy and care. With extensive experience in men’s gymnastics, he’s passionate about athlete development and excited to lead our new competitive boys’ team.

Coaching Philosophy

As a professional coaching team, we are dedicated to helping our athletes become the best version of themselves inside and outside of the gym. We strive to foster a positive attitude, a strong work ethic, and a sense of self-confidence.

- Our coaching staff is committed to:**
- Leading by example in both actions and attitudes.
 - Staying positive and supportive with our athletes in every situation.
 - Respecting one another and working together as a team.
 - Communicating openly and effectively with athletes and their families.
 - Providing every athlete with the tools and opportunities they need to succeed.

ACCESSIBILITY FOR ONTARIANS WITH DISABILITIES

The Accessibility for Ontarians with Disabilities Act, 2005 (AODA) was passed by the Legislative Assembly of Ontario with the goal of creating standards to improve accessibility across the province. The AODA allows the government to develop specific standards of accessibility that are designed to help make Ontario more accessible. One of the specific standards that have been developed and made law is the Accessible Standards for Customer Service. These standards detail specific requirements for all services. The standards pertain to all employees and volunteers.

In general, service providers must deliver service in a way that preserves the dignity and independence of people with disabilities. As such, Kawartha Gymnastics requires all parents/ guardians who will be working at our upcoming competitions or volunteering in our facility to be trained.

GYMNASTICS ONTARIO CODE OF CONDUCT

This Code of Conduct applies to all matters that may arise during Kawartha Gymnastics operations, activities, and events. This includes but is not limited to; the office environment, the parent viewing area, competitions, texts, emails, social media, and any meetings of staff, committees, parents, or athletes.

Every member of Kawartha Gymnastics must show respect and understanding for the rights of fellow members and conduct themselves in a way that reflects the principles of the organization. All members shall maintain and enhance the dignity of members and participants by demonstrating respect regardless of gender, age, race, culture, marital status, ability, or economic status.

All members will refrain from criticism in public. Any matters of concern regarding coaching are to be directed first to your Coach and then to the MAG Director. If the issue pertains to fees, concerns should be brought to the attention of the Executive Director.

All members will refrain from any form of bullying directed at any member, their families, and friends. Types of bullying include but are not limited to disrespectful language about others, excluding or ignoring others, teasing in a mean way, and cyberbullying (including texting, emailing, and messaging through social media channels).

KG reserves the right to permanently remove any member from the facility for breaching the Code of Conduct.

ATHLETE TRAINING AGREEMENT

At Kawartha Gymnastics (KG), we work hard to maintain a positive and productive environment for all our competitive athletes. To help ensure everyone's success, we ask all athletes to follow these expectations:

Be Ready to Train

Arrive on time or early, ready to start training with athletic shorts and a t-shirt on, and all essentials (water bottle, snack, etc.) in hand. Please note that KG is a nut-free and perfume-free facility.

Commit to Your Training

Consistent attendance is super important for your progress. If attending regularly becomes tricky, we may need to revisit your goals and program together to ensure the best fit.

Keep Coaches Updated

If you're going to be late (more than 15 minutes), need to leave early, or will miss practice, please notify your coach as early as possible using your "Band" account.

Be Respectful

Treat coaches, teammates, and others at the gym with respect, both during training and at competitions.

Support Your Team

Encourage and support your teammates to help foster a positive team environment.

Stay Focused

Keep conversations appropriate and relevant to training, ensuring a productive atmosphere for everyone.

Limit Device Use

Electronic devices should stay put away during training unless your coach gives you permission.

Communicate When Needed

If you're experiencing challenges that may affect your training, let your coach, the MAG Director, Director of Operations or a staff member know. **We're here to support you!**

Stay Healthy

Stay home if you or someone in your household has symptoms of illness, like a fever, vomiting, or other contagious conditions. Athletes must be symptom-free for at least 24 hours before returning to the gym.

Be a Leader

Lead by example through your attitude, effort, and sportsmanship. Help younger teammates, demonstrate responsibility and take accountability

Thank you for helping us create a fun, safe, and supportive space for everyone at KG. We're so excited to be part of your gymnastics journey!

ADDITIONAL TRAINING OPPORTUNITIES

DEVELOPMENT CAMPS

Gymnastics Ontario offers development camps for MAG athletes. These happen 3 times per year across Ontario.

This season, we will aim to participate in 1-2 development camps. Athletes will be invited to participate by the MAG Director based on eligibility and participation will be mandatory. Training camps are a great opportunity to build friendships with athletes from other clubs and learn from top coaches around the province.

Training camps will have an additional fee, set by Gymnastics Ontario. This will be communicated to families and charged to your Jackrabbit account before attending. Any personal fees for travel, accommodation and food are not included.

IN HOUSE TRAINING CAMPS WITH GUEST COACHES

Kawartha Gymnastics will be looking into hosting in house development camps for our competitive athletes with guest coaches from across Ontario. We will aim for these to fall either on PA days, or a weekend. We value the opportunity for our athletes to learn and grow from other coaches.

In house training camps will have an additional fee for participation to cover the cost of the guest coach to travel as well as their hourly rate. This will be split amongst all participating athletes.

We will also accept sponsorships for in-house training camps. If you know a local business who would be interested in sponsoring this opportunity for our athletes, please reach out to fundraising@kawarthagymnastics.ca

JOINT TRAINING

We will be setting up opportunities for athletes to travel to other gyms nearby and train in their facility. Families would be responsible for their own travel arrangements and cost of travel.

This is a great opportunity for athletes to build friendships and mentally prepare for competitions in other facilities. Joint training opportunities will be invite only.

ATHLETE ATTIRE & EQUIPMENT

CLOTHING

All athletes must wear athletic shorts at all times.

A tight, fitted, athletic t-shirt is recommended to be worn during training. During warm seasons, athletes are permitted to train without a shirt, but must wear one anytime they require spot.

JEWELRY

All Jewelry must be removed for training with the exception of stud earrings. Athletes are NOT permitted to have bracelets, watches, anklets, necklaces, rings or dangling earrings on while training.

GRIPS, WRISTBANDS AND CHALK

Grips must be used as directed by the coach. The MAG Director will determine which athletes/groups require grips.

Each athlete will need a pair of wristbands for under their grips, these can be purchased through KG.

Chalk can be purchased through KG at the front office. Athletes are asked to keep their chalk in a plastic bag or container labelled with their name. Chalk is \$5.00 per block and will be charged to your card on file as your athletes requests a new block.

- Grips are not necessary for the developmental pathway
- Grips must be used at all times for the Invitational pathway on High Bar
- Groups must be used for the Canadian provincial pathway and above on Rings and High Bar.
- Chalk MUST be used anytime you are taking any turn on Rings Parallel Bars and High Bar: this is due to safety

ATHLETIC TAPE

Athletic tape is always on hand at the gym to be used for first aid purposes such as blisters from bars. If your athlete needs to consistently tape an injury, we kindly ask that you purchase a roll of athletic tape to be kept in their gym bag.

WATER BOTTLES AND SNACKS

All athletes are required to bring their own water bottle to practice. We ask that athletes bring spill/leak proof water bottles with a closed lid. Athletes can refill their water at the fill station, or may choose to bring a second bottle of water.

Athletes can keep a snack in their bag and have a snack if they need it during practice.

We will be implementing a **boomerang garbage policy** for all competitive athletes. We ask that athletes put any garbage back into their lunch bag and bring it home with them at the end of practice.

MEDICAL INFORMATION AND POLICIES

MEDICAL LEAVE & INJURY

In the event of injury at our facility, our staff will provide on sight first aid treatment and evaluate the need the further medical care. KG reserves the right to send athletes by ambulance to the hospital if necessary. Our coaches will inform parents of all injuries that occur in the facility by filling out an Ouch Report that will need to be signed by a guardian upon pick-up.

We highly encourage athletes to be checked out for any and all injuries with persistent pain.

In the case of injury outside of our facility, we ask that parents communicate with their athletes coach as soon as possible to leave time for coaches to plan modifications if needed.

For severe injuries requiring more than a few days rest, we will follow up with a Return to Play form that will need to be filled out and signed by your medical practitioner of choice. KG takes injuries' and rehabilitation very seriously and will follow all guidance provided by a health care professional.

Athletes who are unable to train due to physical injury, or non-contagious illness are encouraged to still attend practice to encourage their friends and learn by watching/listening to corrections.

ON-SIGHT MEDICATION

At Kawartha Gymnastics, we understand that some athletes may need to carry medication prescribed by their doctor or provided by a parent/guardian. To ensure the safety of all our members, the following procedures must be followed. Please note that medication cannot be kept in change rooms or lockers under any circumstances, regardless of the gymnast's age, as young children are often present in the facility.

Medication Storage: Athletes must keep their medication in a closed bag, purse, or similar container, ensuring it is always out of reach and inaccessible to other gymnasts.

Taking Medication: If an athlete needs to take medication during training, they must bring their bag to a staff member. The medication will be administered in a safe location under supervision to prevent spills and ensure proper handling.

On-Site Medication Storage: If an athlete requires medication to be stored on-site at all times (e.g., EpiPen, Benadryl, Advil), it will be kept in reception in a monitored drawer. This ensures the medication is secure and out of reach of gymnasts.

EpiPens: EpiPens will be kept in reception, easily accessible to all staff. Parents are responsible for ensuring their child's medication is current and not expired.

No Sharing Policy: Medication must never be shared with anyone else, under any circumstances.

These guidelines are in place to ensure a safe and supportive environment for all athletes. If you have any questions or require assistance with medication storage or administration, please feel free to reach out to our staff.

COMPETITIVE PARENT AGREEMENT

COMMUNICATION

KG uses email as the main form of communication. Parents must ensure they have opted in to our Jackrabbit emails. Opting out may result in missing key information being communicated. Please keep us informed of any changes to your personal email or phone number.

Any questions regarding commitments, schedules or conflict should be emailed to mag@kawarthagymnastics.ca.

If you have any pressing concerns, we encourage you to speak to your athletes coach or set up a meeting with the MAG Director and Head Coach. Parents are asked to observe a 24-hour waiting period before contacting coaches or staff regarding concerns or incidents, unless the matter involves immediate safety or wellbeing. This allows for emotions to settle and more constructive conversations to be had.

Our MAG Director, MAG Head Coach and Director of Operations will strive to respond to all emails within 24-48 hours. If your matter is urgent, please contact the office team 705-743-0300 ext. 1

BAND APP

Beginning in July, we will use the BAND APP for program updates to the team, as well as in group communication with coaches.

This app is monitored by our leadership team and any harmful communication will not be tolerated.

Please use this to communicate absences, lateness, or any training related questions.

We will use the calendar feature to send reminders of upcoming events.

SOCIAL MEDIA

Our Leadership Team works hard to ensure we are featuring athletes as fairly and equally as possible across all programs at KG through our social media platforms. At competitions, our coaches must focus and make it their priority to coach the athletes. It is also against the technical rules and regulations to have a recording device on the “field of play” (i.e. competition zone). Parents are encouraged to take photos of their athletes and if comfortable, share them by either tagging us @kawartha_gymnastics, or sending the photos through direct message (Instagram or Facebook) prior to the end of the competition. Re-sharing and posting received photos are at the discretion of KG.

ATHLETE SUPPORT

Parents and guardians are the most important role models in their child life particularly in sports. This role carries an incredible responsibility in shaping a child’s athletic experience.

To foster a positive and supportive environment, it is essential that both parents and coaches:

- Teach the values of **fair play, mutual respect, understanding, and patience.**
- Encourage children to focus on the **fun** aspects of sport participation.
- Support their child’s **self-esteem, physical and moral development**, and sense of accomplishment when mastering new skills.

By maintaining a **positive and encouraging approach**, parents can help create an environment where young athletes thrive—both in and out of the gym.

Encourage athletes to persevere through difficult times, the sport can be a very demanding in all aspects mentally, physically, and emotionally.

ACCESSIBILITY TRAINING

All competitive parents at KG must complete the AODA training in order to complete their fundraising/volunteer commitment(outlined on the following pages).

We ask that you complete the competitive forms as soon as possible upon receiving them.

Demo and Ontario Stream Athletes will compete in 2 invitational competitions. We will aim for these to fall between December and May. However, set dates and locations will be communicated once a full list of available competitions is sent to us.

Competitions are mandatory for athletes to attend. Host clubs will release the schedule a few weeks before the competition and we will communicate that to parents once received.

FEE BREAKDOWN

TRAINING FEES

The training fee for your team is an annual fee calculated and payable in 12 installments starting on July 1, and final installment on June 1. It includes consideration for the following:

- Statutory, and civic holidays will be observed
- School closure modifications
- Time off before or after competitions
- Time off when KG hosts competitions
- Inclement weather cancellations

Monthly fees are processed automatically to your payment method on file on the first of each month. Please ensure your billing information is up to date on your parent portal. All declined transactions will incur a \$25 NSF fee. **Declined accounts must be paid in full by the second Friday of the month. Outstanding fees following the deadline will result in your athlete being suspended from training.**

Please note: Training fees can be paid in full at the beginning of the season by emailing ed@kawarthagymnastics.ca

CLUB FEES

Club fees vary by training group and include the following:

- Gymnastics Ontario Insurance
- Gymnastics Ontario Program Fee
- Competition Registrations (the entry fee and coaches expenses for Ontario Championships or any other Ontario Selection competition are NOT included. Athletes who qualify will receive a fee breakdown once we receive the qualification list.)
- Coach Expenses
- KG Gear
- Banquet/Awards

Club fees will be charged in 4 installments on your account on the following dates: July 15th, August 15th, September 15th and October 15th. A \$25 NSF fee will applied to all declined fees. Declined club fees must be paid before the end of the month to avoid suspension.

See club fees below:

Program	Competitions	Club Fee
Provincial Levels	3 qualifiers	\$1150
Ontario (Invitational)	2 invitational competitions	\$800
DEMO	2 invitational competitions	\$609

FEE BREAKDOWN CONTINUED

FUNDRAISING DEPOSIT

All competitive gymnastics families will be required to pay a \$300.00 fundraising deposit at the beginning of the season. This fee is refundable, by credit to your Jackrabbit account if your fundraising goal is met.

All fundraising fees will be charged to the card on file on July 3, 2026.

MANDATORY: Each family will receive one box of World’s Finest Chocolate bars to sell. This will count towards \$100 of your fundraising deposit. Families can then choose to keep the chocolate or sell it and make your money back.

- For the remaining \$200.00 of your deposit, you can complete it in one of the following ways:
- Spend \$200.00 in one of our fundraisers or purchasing KG merchandise
 - Volunteer your time (1hr = \$10 towards your goal).
 - OR choose not to fundraise or volunteer and donate the remainder of your deposit.

Chuck-a-Puck

KG aims to participate in Chuck-a-Puck twice next season. Each competitive family will be required to purchase or sell 2 tickets for one of the games we attend.

COMPETITION HOSTING COMMITMENT

Kawartha Gymnastics is planning to continue to host an annual competition in the 2026-2027 season for gymnasts across Ontario. This is a 100% volunteer-run event for our club and community which provides funds to support both competitive programs. Families from both the MAG and WAG programs are required to volunteer. **This is an additional committment, separate to the fundraising deposit.**

- Each family must volunteer for 2 shifts total between all competitions hosted (must be age 18+)
- Each athlete over the age of 10yrs will be given the opportunity to sign up for a shift assisting with handing out awards, leading march in and timing events.
- Each shift will be 3 hours in length and will include slots on Thursday through Sunday.
- Buy out of these shifts is available at \$125/shift.
- Sign up for shifts will be released by mid fall.
- More details will be communicated once we receive confirmation of hosting dates.

ADDITIONAL EXPENSES

The following additional expenses are mandatory, and the final costs and due date for the payments will be communicated throughout the season. These fees will be charged to your card on file.

Expense Description	Price Range
Competition Suit (includes singlet, shorts and longs)	\$100-\$250
Warm-up Jacket	Up to \$100.00
Grips and Wristbands (High bar and Ring grips)	\$75-\$90 per pair
Team Photo Day	\$50-\$75

DISCOUNTS AND PAYMENT PLANS

KG offers the following discounts to families:

- **Sibling Discount (multiple competitive athletes)** - Families with two or more children enrolled in a competitive program will receive a 5% discount on the second and subsequent athletes.
- **Sibling Discount (additional athlete in Recreational)** - Families with an additional athlete or athletes enrolled in a recreational or advanced recreational program will receive a 10% discount on the second and subsequent athletes.

KG may also be able to provide a personalized payment plan for families in a competitive program at the discretion of the Executive Director. If you are in need of a payment plan for your fees, please email ed@kawarthagymnastics.ca to discuss the possibility.

PROGRAM WITHDRAWAL

Your financial commitment is for the entire gymnastics season from July-June. If your child needs to withdraw from the program, a request in writing is required to the MAG Director, MAG Head Coach and Director of Operations at least 30 days prior to leaving the club. To be released from payments, the Executive Director will review and determine this on a case by case basis, including any eligible refunds.
