

Introducing **KG Kares Inclusion Fund** Sponsor a Child, Build a Future

At Kawartha Gymnastics, we believe that every child deserves the chance to experience the joy, confidence, and community that comes with participating in organized sports. That's why we're proud to launch KG Kares, our new Community Sponsorship Program.

Through this initiative, we're inviting local businesses and individuals to help make a difference by sponsoring a child who may not otherwise have the opportunity to take part in gymnastics. Your support will open the door for children in our community to be active, build friendships, and learn from inspiring role models—all in a safe, supportive, and fun environment.

Join us in making gymnastics accessible for every child. Because when the community comes together, amazing things happen!

Small gifts can spark BIG opportunities!

**1 full day
camp**

\$75

**1 full week
of summer
camp**

\$350

**Full session of
Gymnastics
(12-16 weeks)**

\$500
