EMPLOYER TESTIMONIALS

“Stellar Recruitment has been an integral part of our recruitment strategy over the last 5 years. The team at Stellar have taken the time to listen and understand our business, our processes, development plans and overall our culture and people, to identify the right candidates for our business. I can highly recommend the team at Stellar as your recruitment provider. They are professional, passionate about their clients' businesses and they stand by their recommendations.”

~ MAJOR CONSTRUCTION COMPANY

“Stellar has always placed a very high emphasis on customer follow-up once candidates are placed so to ensure all parties are satisfied. Stellar Recruitment is very easy to deal with and is more than willing to actively participate in the placement of the best candidate for our requirement. Their guarantee leaves you assured that in the event that a candidate does not work out that they will endeavour to replace them to satisfy our requirement.”

~ EQUIPMENT AND MACHINERY SUPPLIER

“Stellar Recruitment provided 80% of our diesel fitters on contract for the mobilisation of three Bowen Basin projects simultaneously. Their fitters built workshops, mobilised 160 major plant items, managed 71 units while refurbishing at external workshops, all units inspected, upgraded, components replaced and FRCP completed, with mobilisation cost \$15M+ - a major challenge. In the same timeframe they managed the specification/commissioning of 41 new machines with capital exceeding \$150M.”

CANDIDATE TESTIMONIALS

“I just wanted to drop you a note and let you know that my experience with Stellar exceeded any previous recruiting experiences I have ever gone through. You went out of your way to assist and meet my needs in a time of uncertainty and provide opportunities that were exactly what I was looking for. I won't hesitate referring you to anyone else I come across in need of a position.”

~ MINING CANDIDATE

“Stellar Recruitment places impressive emphasis in candidate care and has supported my family and I continuously over the 4 years since I initiated contact with the group. Their staff have gone out of their way to assist with any issues I have had and they have been more than proactive in working through any issues to obtain a better result. I am proud to call a number of their people “my friends” as they have gained my respect for the work they do.”
