

How to Set Up Direct Debit (Avtalegiro) as a Member at Røykenbadet

It is required that direct debit (Avtalegiro) be used for payment of membership fees in accordance with our membership terms and conditions. It is important that Avtalegiro is set up as soon as possible after registration, following the instructions below. Reminders will be sent monthly to those who have not yet set this up. If an invoice has to be sent, an invoice fee will apply.
