Cards Bring Joy

Lynn Care sent over a few photos of the residents enjoying their Thanksgiving cards!

Dinner Together

One of our Club's regular service events is Dinner Together, formerly known as "Tuesday's Table." On the fifth Tuesday of the month, Club members prepare and serve dinner to anyone who comes to the First Baptist Church Fellowship Hall. Some members drop off prepared food, some cook food and bring it, some prepare to-go boxes, and others staff the doors to serve the food. It is a favorite event of many Club members! While the numbers for this year's meals have run closer to 55 to 70, the number of clients served has been as high as 150!

January 7th Meeting Highlights

Kathy Napier was excited to start off our first Club meeting of the new year, on January 7th, by honoring Sally Kilpatrick (on left in photo below) for becoming a Paul Harris Fellow +3! Incredible job, Sally!

To close out the meeting January 7th, Leslie Caliva of the Red Cross (on right in photo at right, Carol Hardy on left) presented the Club with a certificate of appreciation for the members' collection of hygiene items for veterans, as part of the Red Cross Holiday for Heroes Project.

During the meeting, we were honored to hear from Lauren Clausen (on right in photo above) from Winchester Rescue Mission. The organization serves 150 meals a day, provides food to 20 families each weekday, and houses 45 to 48 people for up to 12 months at a time, providing the supports and education they need to leave homelessness behind. After Lauren's presentation, Barbara Ecton presented the book *Building a Home* written by Polly Faber and illustrated by Klas Fahlin. The recipient was GE@R Preschool in Lauren's honor.

Thank you to Jen Avery for taking photos!

For the second week in a row, Kathy Napier had the pleasure of honoring one of our members as a Paul Harris Fellow! On January 14th, she presented Bill Long with a Paul Harris Fellow +4 Award! Thank you, Bill, for your generosity and support of the Rotary Foundation!

Girls on the Run Inspires Individual Donations

Our guest speaker on January 14th was Grace Vaughan, Program Manager of Girls on the Run of the Shenandoah Valley (photo on right). Founded in 2011, Girls on the Run (GOTR) is an international nonprofit afterschool program for girls grades 3-8, designed to educate, encourage, and empower girls at a pivotal age. The focus is on far more than running; it is about empowering girls with a focus on their well-being.

The Shenandoah Valley council is working on expanding their programs in the County. Currently, GOTR has a program at E. Wilson Morrison Elementary School and is starting one at Hilda J. Barbour Elementary School. In addition to impressing Club members with how they build confidence and various skills through activities, the program aligns with Rotary through a focus on making a lasting impact on the community through participant-led service projects!

According to Grace, there are fall (September-November) and spring (February-April) seasons. Each program has eight to 20 girls, with two to four coaches. They meet for 90 minutes twice a week for ten weeks. There are 20 lessons that are taught through physical activities. For example, when discussing the importance of working together, they play a game of shark and minnows. They also have a celebratory 5k run at the end of the season.

More than 45% of local girls are financially assisted each season. There were several Club members who immediately expressed interest in supporting this program.

Because the funds within the Club's service budget have already been committed for the year, a call was put out to the individual members to help fund some of the girls at the new Hilda J. Barbour program.

On Wednesday evening, Immediate Past President Ellen Aders wrote to the Club, "As individual members of the Rotary Club of Warren County, we contributed \$1480 in one day to help Hilda J Barbour start a new chapter of Girls on the Run! That means nine girls can participate at NO COST!"

Barbara Ecton presented the book *Ollie's Valentine* by Olivier Dunrea, which will be given to The Phoenix Project in Grace's honor.

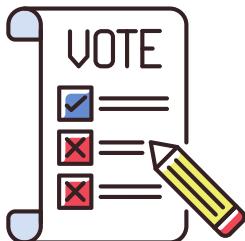

GTOR still needs additional sponsorships, donations, coaches, and 5k volunteers. Learn more at girlsontherunsv.org.
