Rotary  **THE FOUR-WAY TEST**
Of the things we think, say or do:

- first** Is it the **TRUTH**?
- second** Is it **FAIR** to all concerned?
- third** Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- fourth** Will it be **BENEFICIAL** to all concerned?

On March 20, Bob Wilson, owner of the Money Pit Studio, informed our club about his recording studio here in front Royal.

A recording of the meeting will hopefully be posted on our website if you missed it.. A biography from his website is found on the following page.

IN OUR COMMUNITIES AND IN OURSELVES

Meet Bob Wilson

Bob Wilson began learning guitar at age 6, played in church several times weekly and from age 10, played the upright, string bass daily in school Orchestras, High School Symphonic and Jazz Bands for 6 years. He started touring professionally at 18, playing drums with The Messengers of Manassas, VA.

He quickly became a “hired gun” on bass guitar and fiddle for many other Southern Gospel and Bluegrass groups, climbing aboard various tour buses week after week to play their concerts. His freelance work extended into other genres including Country, Retro Country, Americana, 60's, 70's and 80's Rock, Blues and Jazz for fairs and festivals. He played fiddle and/or bass on most of those bands' and other band's albums, totaling almost 40 to date, at various studios.

He has been a session leader on several projects, has produced and engineered for over 20 years, and also has over 20 years of live sound reinforcement experience. He studied voice with Steve Hurst and Stephen Nix in Nashville and performance with Tom Jackson, also in Nashville. This has proven beneficial when producing main vocal and background vocal sessions.

Happy Dollars and Announcements

Happy Dollars collected during the March 20th Club meeting will be going toward CART. Information about CART can be found on pages 18-19 in the newsletter. If you are giving to the Happy Dollar fund through the GiveLively link, use the following link.

The link to use :

1. Michelle Smeltzer is organizing members to give the inspirational message. Please let Michelle know if you are able to provide an inspirational moment at an upcoming meeting.
2. Bring clean aluminum cans (no metal and no labels) to be recycled to our meetings. There will be a container as you walk into the Fellowship Hall. The proceeds from the can drive will be used to fund CART.
3. Don't forget to drop off food at the "blessing boxes". No beans or tomatoes necessary but maybe a recipe for chili might help to have the tomatoes and beans go faster.
4. Glenn needs help capturing our engagement hours on DACdb. Please email him regarding the service hours you have done. OR Put the hours in yourself. Step by step instructions have been provided in previous newsletters or contact Gail for the instructions.
5. Krista is our acting Treasurer for now. We need a member who is willing to become Treasurer. Please see Michael if you can.
6. A check for \$2400 was sent from our club to the CART Fund.
7. The Shenandoah River Clean-up at Andy Guest (Shenandoah River) State Park will be rescheduled. Stay tuned for details.

Governor's Message | March 2024

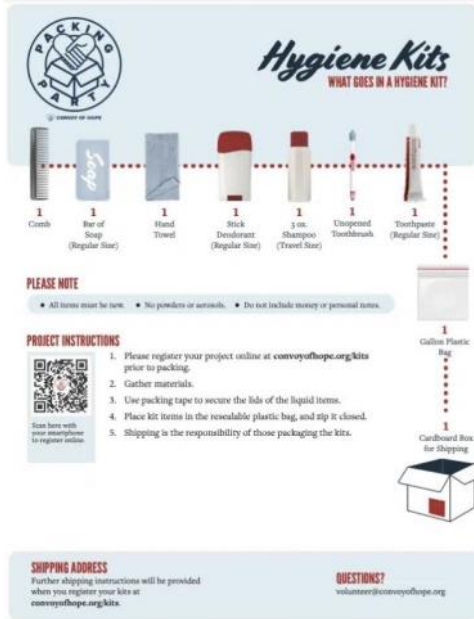

Rotary's focus during the month of March is Water, Sanitation and Hygiene. Clean water, sanitation and good hygiene is a human right yet so many places in the world lack clean water and proper sanitation. When people, especially children, have access to clean water, sanitation, and hygiene, they are able to lead healthier, longer and more successful lives and they stay in school longer. We don't just build wells and walk away. Rotary members integrate water, sanitation, and hygiene into education projects. Just ask Walter Hughes, a member of the Rotary Club of Salem. Walter has been building wells for clean water for 20 years, implementing 2 or 3 water projects per year in Ghana. He has partnered with many Rotary clubs, districts and Rotaract clubs and is always looking for more clubs to partner with on Global Grants. Walter will be at District Conference and will be speaking on the WASH project during the Sunday session. You will not want to miss this!

So let me repeat that clean water is a basic human right that many are often denied. Think about this in 2024: There are 2.5 billion people in the world that lack access to improved sanitation and 748 million people that don't have clean drinking water. Nearly 1,400 children die each day from diseases caused by lack of sanitation and unsafe water. When people have access to clean water, they live healthier and more productive lives. What is YOUR Rotary Club doing to provide clean water to a community in need?

Paula Alston
District Governor

Hygiene Kit Project

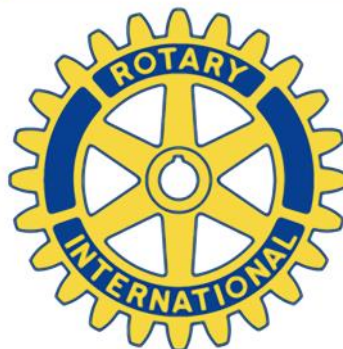

On March 21, our 2nd and 3rd Grade Early Act students completed a four week project (two weeks ago was our 4th and 5th Grade Early Act, three weeks ago was our Kindergarten and 1st Grade Early Act) of putting together hygiene care packages for our area homeless, blessing boxes and hikers. In total, they completed 250 hygiene care packages.

ROTARY
SERVICE Above Self

Upcoming Service opportunities

Saturday, 13 April: Kendrick Lane Clean Up. This is "our club's" project, along with the R-MA Middle School Interact Club. We will meet at the Front Royal Police Station (Monroe Street) at 9 am, split up into groups, and clean until Kendrick Lane and the old AVTEX Parking lot is clean. Justin Proctor and the Anti-Litter Council have been invited to join us. I see this as a wonderful opportunity to combine service with seeking potential new members. Supplies (Trash Bags, Gloves and a limited number of metal trash pickers) will be available. Should you have your own picker, please bring it with you. Please wear clothing you don't mind getting dirty.

Week of April 14 to 21: Trash Free Shenandoah: For details contact Justin Proctor at c.justin.proctor@gmail.com

Saturday, 4 May: Greenway Clean Up. The beautiful walking path between Main St. (Pavemint Restaurant Parking Lot), and Criser Road (Samuels Library) is in desperate need of cleaning, especially with all the rain we have had. While this is "our" project, I will be reaching out to our youth as well as Anti-Litter Council in hopes of having the youth focus on the safer shore line, and having willing adults traverse the areas closer to the water, to try and make the area look as beautiful as possible for our upcoming Wine and Craft Festival / Ride With Rotary.

Saturday, 18 May: Ride With Rotary / Wine and Craft Festival: This is our major fundraiser for the Spring. I am not one for using the phrase "All Hands on Deck", as we are all volunteers, including myself. Equally, this club is no more mine than it is yours. We can only do the good that we do for our community when we all pitch in and pull together. This is one of those times. Please look for P-Mails on opportunities to help (Registration, PR / Marketing, Parking, Set Up, Painting the Routes, Relief Stops, Snacks and Drinks for Riders, Medical, Take Down and Clean Up. Please attend our Fundraising Committee Meetings. All club members are welcome. We will have another Ride with Rotary meeting on March 19 at 6:00pm by ZOOM.

TBA: Interact Shenandoah River Clean Up: Paddle down the Shenandoah from Gooney Creek to Front Royal Outdoors. Details to come from Cara.

Background

The story behind Rock Haven is a rather personal one for our Immediate Past President, Blaine Elliott. During 2020, Blaine's wife suffered a traumatic brain injury (TBI) during a family mountain bike excursion. This injury required a substantial recovery period, extending well past her hospital discharge. Brain Injury Solutions (formerly Brain Injury Services of Southwest Virginia) helped her through this post-discharge period by providing guidance for non-hospital care and therapies, as it does for so many families in Southwest Virginia. For those directly suffering from TBI's, along with their families and friends, these additional services are invaluable for returning to a state of normalcy.

Rotary Club of the Blue Ridge was at near-collapse entering the 2021 holiday season, with sputtering member engagement and a passive service portfolio. Blaine, President-Elect at the time, knew the club needed a revitalization as it exited the Zoom era. His first thought was to host a signature event. The club's last signature event was a bicycling tournament in 2017, benefiting the Roanoke Valley iCan Shine Bike Camp. Being a musician himself, Blaine suggested a one-day music festival to benefit Brain Injury Solutions. Although the club was only 13 members strong at the time, no one backed down from the daunting proposal. Planning commenced, and the first Rock Haven became a reality in April 2023, with five bands performing well into the night and \$500 being donated to Brain Injury Solutions.

CANS for CART

Save your clean aluminum cans (no metal cans wanted). Bring them to the Wednesday morning meeting. After the meeting the cans will be taken to a metal recycling place and in return we get money for CART.

WHAT'S NEXT...

Today, we are supported by nearly 450 Rotary Clubs, mostly on the East Coast but also across the US. Our goal is to continue to increase giving in our strong donor base in Rotary Zones 33 and 34, while also attracting additional interest from other Rotary clubs, districts and zones, as well as non-Rotarians who share a similar passion for finding a cure for Alzheimer's.

In 2022, CART underwent a complete branding and imaging campaign with a new logo, new materials to support our volunteers and a "recurring giving" recognition program through our online donor portal. Donors who commit to a recurring gift of at least \$5 per month (or \$15/quarter or \$60/year) will be recognized as members of the newly created "Roger Ackerman Circle" and members who enroll will receive a limited-edition lapel pin.

An article in the May 2023 issue of Rotary magazine sparked interest from Rotarians around the country, expanding our support. A new initiative, Lunch A La CART, is a monthly zoom "lunch and learn" session with one of our researchers. Anyone is invited to attend for the presentation and Q&A session. Dates and links are on the [Calendar](#) of our website.

Lunch A La CART with Dr. Marius Wernig (ID=77727295)

Wednesday April 17, 2024 12:00 PM

Speaker: Dr. Marius Wernig (Stanford Univ)

Topic: Updates from previous CART grant recipients

Description: We are pleased to welcome Dr. Marius Wernig as our guest speaker for the April 17 "Lunch & Learn" series to provide an update on Alzheimer's Research, including outcomes from his CART-funded grant. We will meet via zoom from Noon-1pm EST.

Dr. Wernig was the recipient of a \$250,000 CART grant in 2020.

Update on the Student Union Project from Samantha Barber

and Reaching Out Now

The Town came through with a \$25,000 donation this week. Hopefully, they will honor their earlier commitment of another \$100,000 over the next year.

As promised, here is the wish list for the Student Union by Reaching Out Now (RON).

[https://www.amazon.com/hz/wishlist/ls/178RS7EVU21VO/ref=hz_ls_biz_ex?](https://www.amazon.com/hz/wishlist/ls/178RS7EVU21VO/ref=hz_ls_biz_ex?fbclid=IwAR2TPL501_JQlg18QrQXGf9gZ1ZpvXW1fYyXZfjFTKNR9TKEVJno3KGxfEg)

They shared their vision with us, and so to close out #GivingDay we also want to share our reality.

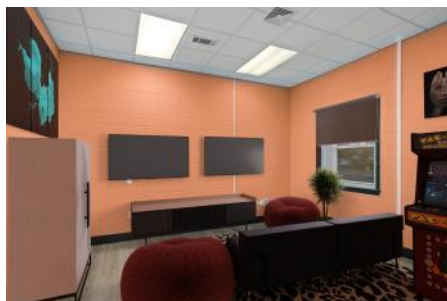

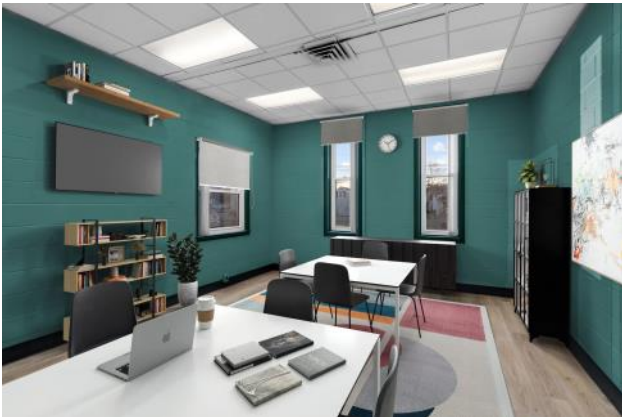

From their Facebook Post:

\$75,000. That's our goal for covering opening costs of the Student Union. This amazing space has had so much work and care poured into the renovations done by the county up to this point. We will be continuing renovations on the kitchen over the next few weeks. We're in the process of solidifying our security system proposals. We're working hard every day to find community business and corporate sponsors for support...

but if this space is going to be everything it can be, we need the whole community. We truly believe we are #StrongerTogether. We are blessed to be charged with leading this project. We see the potential and we hope you do too. Please come alongside us and help in our initial fundraiser. Every dollar brings us a step closer to bringing the vision closer to reality for our kids.

Thank you again to this community for believing in the possibilities.

For those of you that are not familiar with Safe At Home, it is an annual Baseball, now Softball included, fundraising community event. This community event brings recognition to Mental Health Awareness. It provides a community family fun day with opportunities to watch games, participate in ball games, food, and fun games for the kids to play. Last year we had food trucks, face painting, and a dunk tank to share a little of what we do. This fundraiser raises funds to provide scholarships for senior student athletes on the softball and baseball teams of Warren County High School and Skyline High School.

Speaker Sponsor Instructions:

Scheduling Rotary Club Programs

General: Each member should try to sponsor at least one speaker for a program each Rotary year. To determine the dates programs are needed, please check the club calendar located on the district web site or our club's web site located at www.warrencountyrotary.org. To schedule programs, please contact our Program Chair.

When scheduling programs, members should:

- Inform their speaker to limit their program to 20 minutes, including question and answer time.
- Request their speaker not promote their private business. Speakers may offer business cards or handouts about their business on a table at the close of the meeting.
- Remember that Rotary is non-partisan and the speaker should not promote any religion or political position.
- Youths cannot not be photographed or recorded without a signed Rotary Youth Waiver.
- Ask their speaker if they need audio-video support. **Speakers should bring their program briefing saved to a USB drive using PowerPoint.** We have a laptop, projection, and sound support.
- Inform their speaker they should arrive approximately 15 minutes prior to the start of the meeting to allow time for setting up the audio-video media.
- Call their speaker a couple of days prior to their schedule meeting as a reminder.

In the event our meeting is cancelled due to inclement weather, the member is responsible for notifying their speaker. Note: most club meeting weather cancellations follow the Warren County Schools policy – a school delay or cancellation results in the cancellation of our meeting.

A Quick Reference on How to Navigate DACdb

General: Our dacdb web site was designed to be very easy to use and intuitive. In only a few short minutes, you can be navigating the dacdb web site and using the power of the information available. The site is linked to the Rotary International web site and used to update the Rotary International data base of membership and club information. The following capabilities are available on this site: Club officers and member information, club committees and their membership; Club calendar, photos of members; District 7570 club meeting locations, times, directions etc.; club and district newsletters. The web site is designed to allow the club members and their committees to conduct the club's business using pmail/email.

How to Login to the web site.

Search for: dacdb login or dacdb sign in. Google, Safari, Chrome

You are now on the Login Page for the web site. Your Login Name is your email address; "0" is your temporary login. Please change your password after you find your member page – see login. If your login does not work, please contact Dave Hardy at davehardy1079@gmail.com or text: 540-671-3890.

After you log in, the basic selections are displayed across the top: Most club business will be conducted under the selection: My Club. You can update and review your data by selecting My Data.

How do I update my personal information?

General: The personal information that you are reviewing was initially updated with information provided by you to the Club's Secretary. Whenever you make a change to your record in dacdb, an email is automatically sent to the Club's Secretary notifying them of the change. The updated information is also used by Rotary International to update their membership records.

After you log in, the first page that opens will have a selection at the top for My Data at the top of the screen. Your personal screen is now displayed. To edit your data select Edit Member. Your information is listed by section across the top of the page: Member, Photo, RLI, Contact, PData, Login, Club, Business, Partner/Spouse, Bio, etc.

Please add your photo – select chose file from the photo page and upload a photo.

The primary sections you should review, and update are Photo, Contact, and Login.

Note: When you are completed with your review of your personal pages, select: Save in the upper right portion of the screen to save your data. After your data is saved, you may review your data. A summary of your changes will be automatically sent to the Club's Secretary.

Note: Some personal data may only be changed by the Club Secretary or Club Executive Secretary.

Where can I find my Club's Information?

Select My Club from the menu at the top of the page. Most of the information that you will use is located in this selection.

Clicking on the District at the top of the page will take you to the District 7570 home page.

On My Club page under Club Members at the top of the page, the club's officers are pictured with their position. Following the section with pictures of the club officers, the club members are shown.

The Club Committee symbol lists all the committees that we have set up for the Rotary Club of Warren County.

By selecting on one of the committee titles, the committee members with their phone numbers and email addresses are shown.

A Quick Reference on How to Navigate DACdb (continued)

By selecting pmail in the upper right corner of the page on one of the committees, you can send an pmail/email to each of the committee members. Committee chairs and committee members can use this pmail feature to easily contact their members and conduct the committee business. The pmail feature also allows one to upload files to send to the committee members.

In the left column of the My Club page, is the My Club Navigation section providing shortcuts to various pages.

How do I view my Club's Calendar?

From the My Club page, or from the MY CLUB, select Calendar from symbols shown.

By highlighting an event, the member can view the details for that event. Note: our program chair adds our program speakers when scheduled by our members.

If you want to add an event to the calendar, please contact Dave Hardy at davehardy1079@gmail.com or by phone: 540-671-3890.

How do I print a Membership Roster or mailing labels etc?

From the My Club page, look to the My Club Navigation section on the left side of the screen. select Member Cards. There are various options for printing member reports located in the Member Directory.

What other information can I obtain from our web site?

From the My Club page, you can obtain information on any club in District 7570, by selecting Clubs. You can view a club's information by selecting View for that club. Club officers, club membership and meeting times can be easily located for any club in District 7570.

From the My Club page, you can view a listing of all members in District 7570 or search for the information on an individual member by selecting: Find. You can also search for a member by name, by club, and by email address by using the Find selection.

Please contact Dave Hardy with any change recommendations for these instructions.

Once you have an account in dacdb, you can download two free apps for your mobile phone and tablet: DacdbMobile, and Ignite. Much of the information shown in the website dacdb is available in these two apps.
