

Welcome Erika Wright!

We were excited to welcome Erica Wright to our Rotary family on Wednesday, August 19th. From the first day she visited our Club, she brought bright smiles and encouraging words! We look forward to Creating Lasting Impact together!

August Ice Cream Social

The August Club Social took place on Tuesday, the 25th, at the Fairfax Shelter at the Northern Virginia 4-H Educational Center. In appreciation for the Club's assistance on renovating the shelter last fall, the 4-H Center supplied ice cream and all the fixings for delicious sundaes!

A Visit from St. Luke Clinic

St. Luke Community Clinic's Executive Director Vicki Davies joined us on September 2nd to express her appreciation for our support of upgrading their dental equipment. The funding is being provided through a collaborative grant, with \$6,000 coming from local Rotary clubs and \$6,000 coming from the District.

Vicki shared that the previous equipment donated in 2015 was actually used equipment from a retiring dentist; therefore, the upgrades were sorely needed. The dental services are currently the most-used of all the services the clinic provides, though she expects that to change once the Medicaid changes take effect on January 1st.

So far this calendar year, the dental clinic has had 292 visits. Of those, 49 were dental hygienist visits and 15 were for dentures. The clinic staff have extracted 87 teeth, filled 81 teeth, and taken 86 x-rays.

Barbara Ecton presents "The Barn," written by Leah H. Rogers and illustrated by Barry Root. The book will be donated to Therese C. Nether's Little Angels Preschool in honor of Vicki Davies.

Special Delivery for LFK

Service Chair Ellen Aders delivered the \$1000 check to LFK Elementary School for their outdoor playground. (You can see the peace pole in the background of the photo too!)

Remember: Join us for the next Service Committee meeting on October 7th to share your ideas for service projects, or send them to Ellen!

2027 Rotary Friendship Exchange Opportunities

In case you didn't see the email from Durin Burt, here is a summary of the two upcoming Rotary Friendship Exchange opportunities for District 7570 in 2027!

Next year, D7570 Rotarians will have the opportunity to experience San Diego or travel internationally to western Türkiye. Two very different destinations, but both offer what makes Rotary Friendship Exchange so special: experiencing another part of the world through the eyes of local Rotarians and building friendships along the way.

The San Diego trip (District 5340) Outbound will take place in mid to late February, and last approximately eight days.

The Outbound trip to Western Türkiye (District 2440) will last approximately 12 days and take place in mid-April.

Exact dates and itineraries are still being finalized. District 7570 will return the hospitality by welcoming teams from both districts later in 2027.

Breakfast September 9th!

Debbie Grove will provide a breakfast of casseroles, meat, yogurt, and/or fruit.

Cost: Donation to the money jar for the Boots & Bourbon Live Auction

First come, first served!

What's RFE All About?

On both exchanges, participants will stay in the homes of local Rotarians—sharing meals, conversation and everyday life while experiencing their communities in a way most visitors never do. That's what makes RFE different from traditional tourism: the places are wonderful, but the friendships are always what we remember most.

The best RFE travelers bring a flexible, "go with the flow" spirit and understand that adaptability is part of the RFE experience. Things won't always go exactly as planned, but being open to different people, places and experiences is a big part of what makes a Friendship Exchange so much fun.

Additional Important Notes

A Rotarian may apply individually or with a spouse, partner or family member, for a maximum of two travelers per application.

Applications will generally be considered in the order received, with priority given to first-time RFE participants. Additional factors are considered.

Because RFE involves home hosting and active group itineraries, mobility and other accommodation needs may also be considered in determining whether the requirements of a particular exchange can reasonably be accommodated.

For additional information, see the email from Burt Duren sent on September 1st.
