# WHO WE ARE

---

Rotary is a global network of more than 1.2 million people of action who belong to more than 45,000 Rotary and Rotaract clubs. What they all share is a passion for solving problems and improving people's lives. Our members work in their own communities and partner with other clubs on international projects that address today's most pressing challenges. In taking action and making a difference, they develop their leadership skills, get a sense of accomplishment, and form lifelong friendships. We have Rotary and Rotaract clubs in almost every country in the world.

## **DID YOU KNOW?**

The name *Rotary* was selected by early members because their meeting location rotated among their offices.

# HOW WE'RE STRUCTURED

Rotary is made up of two parts: Rotary International and The Rotary Foundation. Rotary and Rotaract clubs belong to the global association Rotary International, or RI. Rotary International supports its clubs by coordinating global programs and initiatives. The Rotary Foundation helps fund our humanitarian work, from local service projects to worldwide initiatives.

If you're unfamiliar with a term, refer to the **glossary** on page 33.

## CLUBS

The club is the most important component of Rotary's organizational structure.

Rotary clubs bring together professionals and other leaders who meet regularly for service, connection, and personal growth. Rotary clubs are for people who are looking for friendship, service, and networking opportunities, across generations and industries.

Rotaract clubs bring together people ages 18 and older who take action through community and international service while learning leadership skills and developing professionally. Rotaract clubs are especially for younger professionals who want to have fun through service.

## DID YOU KNOW?

If you know someone who would enjoy getting involved but can't attend your club's meetings, you can refer them to [join.rotary.org](https://join.rotary.org) to connect with another club.

## MEMBERS

Members of Rotary clubs are also known as Rotarians, and members of Rotaract clubs are called Rotaractors. Each Rotary or Rotaract club, in turn, is considered a member of Rotary International. Although all of our clubs address local and global issues through various initiatives, they are autonomous, so what it's like to be a member varies from club to club. Strong, well-run clubs enhance our members' experiences and deliver valuable service to our communities.

As a member, you have far greater potential to do good in your community than you did before you joined. You'll have many opportunities to use your expertise, skills, and talents to make a difference in the lives of others and for causes you care about while you make connections with other professionals and community leaders.

## MEETINGS

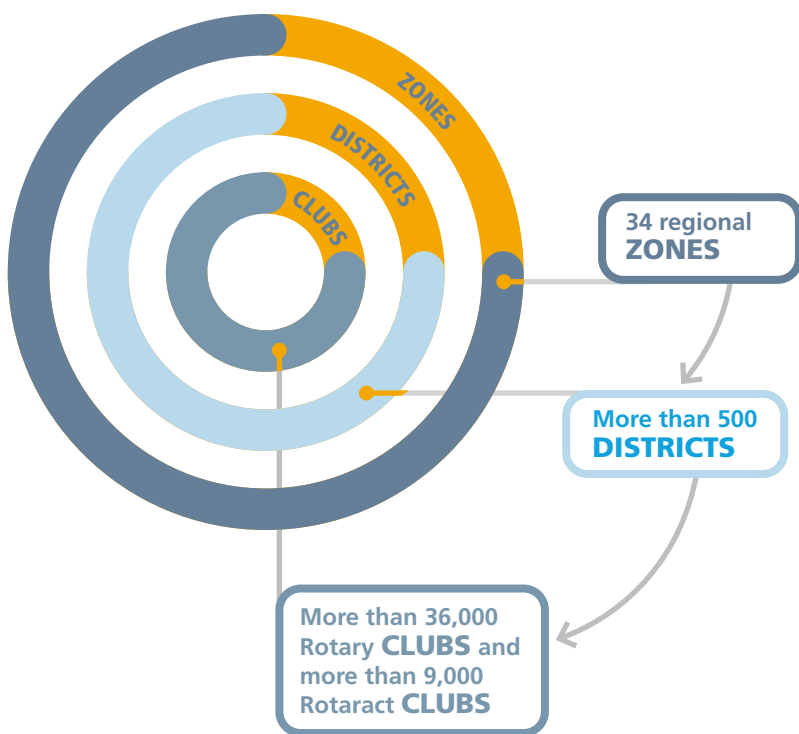

Rotary and Rotaract club meetings differ by club. Some clubs meet weekly in person while others meet online, less frequently, or less formally. All clubs offer service and social opportunities, and some focus on particular causes, invite guest speakers, or plan annual events. Rotary is apolitical and nonreligious, and all clubs are expected to create a welcoming and inclusive environment that offers a positive club membership experience for everyone.

## DISTRICTS AND ZONES

Clubs are grouped into more than 500 districts around the world. Each district is led by a governor along with a team of assistant governors and district committees. Together, they support and strengthen clubs and motivate them to carry out service projects. The district leadership team organizes learning seminars, supports membership development and the formation of new clubs, facilitates grants, strengthens Rotary's public image, and connects clubs with each other and to Rotary resources. District leaders ensure that clubs have the tools and support they need to thrive.

Districts are organized into 34 zones that have approximately equal numbers of members. These zones nominate members for our Board of Directors and elect the committee that nominates the president of Rotary International.

## OUR LEADERS

Our leaders at Rotary exemplify the qualities that make our members extraordinary: integrity, expertise, and a commitment to service.

The executive staff, led by the general secretary, manages Rotary's operations in the areas of programs and engagement, member and participant experience, financial services, information technology, polio eradication and philanthropy, communications and marketing, strategy, legal services, and people and talent at our world headquarters and offices around the world.

Rotary International's president presides over the Board of Directors and is elected to a one-year term.

The Board of Directors establishes Rotary International's policies and provides guidance that helps our clubs thrive. Rotary clubs elect the directors, who serve two-year terms.

The Board of Trustees manages the business of The Rotary Foundation, the charitable arm of our organization. The RI president-elect nominates trustees, and the Board of Directors elects them to four-year terms.

### DID YOU KNOW?

The first Rotary club formed in Chicago, Illinois, USA, on 23 February 1905.

# OUR HISTORY

---

We've been making history and bringing our world closer together for more than 120 years. The first Rotary club was started in Chicago, Illinois, USA, in 1905 by an attorney named Paul Harris. Harris wanted to bring together a group of professionals with different backgrounds and skills to exchange ideas and form meaningful acquaintances. In August 1910, the 16 Rotary clubs then in the United States formed the National Association of Rotary Clubs, now Rotary International. In 1912, Rotary expanded to a few more countries, and less than a decade later, Rotary clubs had been established in Africa, Asia, Central America, Europe, Oceania, and South America. Rotaract began as a Rotary youth program in 1968. In 2019, Rotaract was elevated from a program to a distinct membership type. For more information about Rotary's history, go to [rotary.org/history](https://rotary.org/history).

# WHAT WE VALUE

---

Rotary was founded on principles that we are still committed to today. These principles shaped our core values: integrity, diversity, service, leadership, and fellowship, or friendship.

## AVENUES OF SERVICE

We channel our commitment to service through these Avenues of Service, which are the foundation of club activity:

- **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and a robust membership development plan. When members serve their clubs (for example, by sponsoring a new member or serving on a committee or in another leadership role), they help their clubs function successfully.
- **Vocational Service** calls on all members to work with integrity and contribute their career-related or other expertise to help address the problems and needs of society.
- **Community Service** encourages every member to find ways to improve the quality of life of people in their communities and to serve the public interest.
- **International Service** exemplifies our global reach in promoting peace and understanding. We support this avenue by sponsoring or volunteering on international projects, using local members' expertise to build long-distance partnerships for sustainable projects, seeking service partners abroad, and more.

### DID YOU KNOW?

Members can earn an Avenues of Service Award by participating in service in one of the five Avenues of Service: club, vocational, community, international, or youth service.

- **Youth Service** recognizes the importance of empowering youth through leadership development programs such as **Interact**, **Rotary Youth Leadership Awards**, and **Rotary Youth Exchange**.

## AREAS OF FOCUS

The causes we concentrate on to maximize our impact are called our areas of focus. Our most successful and sustainable service projects and activities fall within these areas. We help clubs focus their service efforts on:

Peacebuilding and conflict prevention

Maternal and child health

Disease prevention and treatment

Basic education and literacy

Water, sanitation, and hygiene

Community economic development

Environment

These areas of focus are aligned with the 17 Sustainable Development Goals of the United Nations. When our members take action in these areas, they join with others around the world to tackle the major challenges humanity faces today.

Projects that focus on these causes are eligible to apply for global grants and Programs of Scale grant funding from The Rotary Foundation.

Rotary's motto, Service Above Self, reflects our belief in leading through service.

## THE FOUR-WAY TEST

From the beginning, members have emphasized the importance of acting responsibly and ethically and using our professions as an opportunity to serve. Honoring our commitments, however bold they are, is an ideal characteristic of a Rotary member. In 1932, The Four-Way Test was developed by Herbert Taylor, the 1954-55 RI president. Rotary later adopted The Four-Way Test, and it has long served as an ethical guide for members to live by in their personal and professional relationships.

### **OF THE THINGS WE THINK, SAY OR DO:**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## THE OBJECT OF ROTARY

In Rotary's first decade, members set out guiding principles that evolved into what is now known as the Object of Rotary. They added the advancement of peace in 1921 and updated the language in 1989 and 1995.

**The Object of Rotary** is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each member's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each member's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Although your club may not emphasize all of these principles, understanding them puts your club experience into perspective and adds meaning to being a part of this organization.

## A CULTURE OF BELONGING

At Rotary, we believe that every member should feel a true sense of belonging. As a global organization, we celebrate the richness of our diverse communities, and our goal is to ensure that all members are fully included, respected, and valued.

We are committed to creating environments where people from all backgrounds can contribute, collaborate, and thrive. We embrace differences in culture, experience, identity, and thought, and we recognize the power of these differences in making our communities stronger and more innovative.

We believe that inclusion requires more than simply welcoming others. It means creating an environment where each person feels valued and can be heard and supported. It means cultivating a culture where differences are celebrated.

Rotary encourages clubs to reflect the diversity of the communities they serve by welcoming members from a variety of backgrounds, professions, and perspectives.

Through our commitment to inclusion, we can empower everyone to lead and to contribute to Rotary's mission. Together, we can ensure that every member has the resources, opportunities, and support they need to succeed. By embracing belonging, we unlock the potential for everyone to act and make lasting change together.

Clubs are most successful when they reflect the communities they serve.

# ROTARY INTERNATIONAL OFFICES

---

Rotary International World Headquarters in Evanston, Illinois, USA

Rotary's staff, also known as the Secretariat, supports our members, clubs, districts, program participants, and alumni. There are more than 800 employees in several offices around the world who work to make Rotary International and The Rotary Foundation run effectively.

Club and District Support (CDS) representatives and regional membership officers provide regionalized expertise to the clubs and districts they work with as well as guidance on Rotary's policies, procedures, resources, and tools. They often attend club and district meetings to meet with Rotary leaders and prepare them for their roles. Find your club's CDS representative at [rotary.org/cds](https://rotary.org/cds). You can also contact the Rotary Support Center at +1-866-9ROTARY (+1-866-976-8279) or [rotarysupportcenter@rotary.org](mailto:rotarysupportcenter@rotary.org) to ask questions about Rotary and its programs.

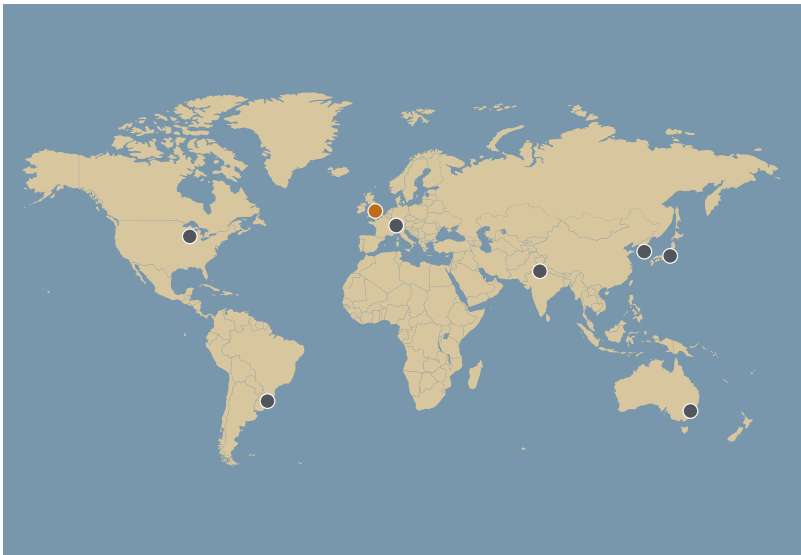

Rotary's world headquarters is in Evanston, Illinois, USA, in a building called One Rotary Center. It has a 190-seat auditorium, Rotary's archives, and an executive suite with conference rooms for the RI Board of Directors and Rotary Foundation Trustees and the offices of the RI president and other senior officers. It also features exhibits about our history and our vision for the future. Free guided tours are offered Monday through Friday and should be requested in advance. Learn more and request a tour at [rotary.org/visit](https://rotary.org/visit).

# OUR IMPACT

---

## THE ROTARY FOUNDATION

In 1917, Rotary President Arch Klumph voiced his idea for an endowment fund dedicated to “doing good in the world.” With this short statement, Klumph inspired the establishment of The Rotary Foundation. Today, The Rotary Foundation helps clubs and districts work together to perform meaningful service. Our top-rated, award-winning Foundation has spent more than US\$6.5 billion on life-changing, sustainable projects that help people in need around the world get clean water, medical care, literacy classes, and other essentials.

Our members’ and others’ contributions to the Foundation allow us to bring positive, lasting change to communities. Ask your club’s Rotary Foundation expert or visit [rotary.org/donate](https://rotary.org/donate) to learn how you can support our Foundation. To learn more about everything the Foundation does, download **The Rotary Foundation Reference Guide** or take the Rotary Foundation Essentials course in Rotary’s **Learning Center**.

## ERADICATING POLIO WORLDWIDE

Since 1985, Rotary members have served as community-based mobilizers for polio eradication by motivating international groups, governments, private organizations, communities, and individuals to join the global effort to rid the world of polio, a potentially paralyzing disease that especially affects children.

Rotary is working with partners and governments around the world to achieve this historic public health goal. As part of the effort, members contribute their time and money to the cause. They raise funds, advocate for governmental support, help immunize children, and raise awareness in their communities. Rotary's contributions to the global eradication effort have reached nearly US\$3 billion. Hundreds of thousands of volunteers have supported massive vaccination campaigns known as National Immunization Days. Since 1988, 3 billion children have received the oral polio vaccine, and we've achieved a 99.9% reduction in polio cases.

The effort to eradicate polio is one of the greatest humanitarian service efforts in history, and every Rotary member can take pride in the incredible progress we and our partners have made. To learn how you can support Rotary's efforts to eradicate polio, visit [endpolio.org](https://endpolio.org).

### DID YOU KNOW?

Rotary International began its fight against polio in 1979 with a multiyear immunization project in the Philippines.

## ROTARY PEACE CENTERS

Each year, up to 130 peace and development leaders are selected to become Rotary Peace Fellows. They earn either a **master's degree** or an **advanced professional development certificate** in disciplines related to peace studies, conflict prevention, and sustainable development at one of the Rotary Peace Centers located at **leading universities** around the world.

Through the program's courses, field studies, social change projects, and global networking opportunities, Rotary Peace Fellows develop their capacity to be effective catalysts for peace.

Rotary clubs and districts play a role in all of this by recruiting candidates from their communities to apply for Rotary Peace Fellowships. Rotary Peace Fellows go on to serve as leaders in government, nongovernmental organizations, education and research, military and law enforcement, humanitarian work, media and the arts, and international agencies such as the United Nations and the World Bank.

## ROTARY GRANTS

Rotary clubs and districts around the world can apply for grants from The Rotary Foundation to pay for service projects, offer scholarships, and support other initiatives that make a difference in their own communities or far away. These Rotary Foundation grants are funded by voluntary donations from members and friends of Rotary.

- **District grants** fund smaller-scale, short-term projects that address immediate needs locally or abroad.
- **Global grants** fund large international projects that have long-term, sustainable, and measurable outcomes and are aligned with Rotary's areas of focus.
- **Disaster response grants** support relief and recovery efforts in areas that have been affected by a disaster.
- **Programs of Scale grants** allow Rotary members to work with experienced partners and expand proven programs that align with an area of focus to make a significant impact.

The first Programs of Scale award aimed to reduce severe cases of malaria in Zambia. Through the program, women like this one became volunteer community health workers who can test patients for malaria and offer treatment or refer them to other health care providers.

To learn more, talk to your club or district Rotary Foundation chair or visit [rotary.org/grants](https://rotary.org/grants).

## THE CADRE OF TECHNICAL ADVISERS

The Rotary Foundation Cadre of Technical Advisers is a network of Rotary members who volunteer their professional skills and technical expertise in our **areas of focus** and financial management to increase the impact of Rotary projects. The Cadre helps Rotary members plan projects, submit stronger grant applications, and monitor and evaluate their projects. Cadre advisers play an integral part in The Rotary Foundation's stewardship efforts by conducting audits and reviewing programs. Learn more at [rotary.org/cadre](https://rotary.org/cadre).

## ROTARY PARTNERSHIPS

Rotary increases its impact in communities around the world by developing and supporting partnerships. Each partnership is expected to accomplish at least one of the following:

- Align with our strategic plan, the Action Plan
- Relate to one or more of our areas of focus
- Provide opportunities for building our public image
- Attract new members, contributions, or project volunteers

Learn more and view a list of our partners at [rotary.org/partners](https://rotary.org/partners).

ShelterBox and Rotary members distributed tents and other emergency supplies to people affected by the earthquake in Morocco in 2023.

# ROTARY'S IMAGE

---

Rotary's image should reflect our vision and values, as well as our unique approach to creating lasting, positive change. People's perception of Rotary comes from their experiences with our clubs and programs, along with the stories we tell and the images we share. Each of us can improve the public's understanding of our organization and make sure Rotary is recognized for the important work we do by telling the Rotary story and explaining why we're proud to be a part of it.

The Rotary and Rotaract logos represent us around the world. Learn more at [brandcenter.rotary.org](https://brandcenter.rotary.org).

## ROTARY.ORG AND MY ROTARY

**Rotary.org** is our website that is primarily for the public, program participants, and other nonmembers. It describes our programs and initiatives. It also includes content of interest to members, like the latest Rotary news and online giving opportunities.

Our official website for members, **My Rotary**, offers details about Rotary membership, programs, scholarships, and events, as well as stories of Rotary service and other activities. When you register for a My Rotary account, you get access to:

- **Announcements** — Get important updates from Rotary, such as presidential messages and the latest club and program resources.
- **Brand Center** — Find resources and guidance along with customizable materials you can use to promote your club, projects, and programs.
- **Club Search** — Whether you're traveling across town or around the globe, find a club to visit.
- **Grant Center** — Apply for and manage your club's grants.
- **Learning Center** — Take online courses about Rotary and professional development topics.
- **Member Search** — Connect with members outside of your club or program.
- **Rotary Club Central** — See your club's profile and goals.
- **Service Project Center** — Explore the good work that members are doing locally and globally, and share these projects through social media.

With a My Rotary account, you can also register for international events and network with other members. To learn how to get one, download **How to Create a My Rotary Account**.

# INTERNATIONAL EXPERIENCES

Being a Rotary member gives you many opportunities to have international experiences and make connections with people around the world. You can host a Rotary Youth Exchange student, attend an international meeting, visit another club while traveling, or partner with a club in another country to do a project.

Attendees at the Rotary International Convention in 2025

## THE ROTARY INTERNATIONAL CONVENTION

The Rotary International Convention takes place in May or June and welcomes all members, their families, and program participants and alumni, as well as the public. It's held in a different city each year and is attended by tens of thousands of people. At the convention, we network, celebrate Rotary, and connect with members from around the world.

### DID YOU KNOW?

Rotary's first convention was held in Chicago, Illinois, USA, in August 1910.

## PROJECT FAIRS

Hosted by districts, **project fairs** invite Rotary members and leaders from different countries to explore potential service collaborations with local clubs that have ideas for projects. These fairs typically last two to three days and include visits to service project sites and opportunities to experience the host country's culture. Any club member or representative who is interested in supporting an international project is welcome to attend. District grants can be used to pay for the costs of travel and participation.

## ROTARY FELLOWSHIPS AND ROTARY ACTION GROUPS

Our members have skills, passions, and identities that are as diverse as they are. Two types of international groups offer Rotary members and their friends ways to build community while pursuing common interests with others worldwide. Rotary Fellowships relate to professional or recreational interests, and Rotary Action Groups focus on humanitarian service in specific areas.

Rotary Fellowships represent an abundance of recreational pursuits, including beekeeping, cycling, fishing, gardening, music, bird watching, and professional interests such as graphic design, editing and publishing, leadership development, photography, and public health. They also help build community around shared culture and identities. Their activities are as varied as their interests. Learn more at [rotary.org/fellowships](https://rotary.org/fellowships).

Rotary Action Groups help Rotary and Rotaract clubs and districts plan and implement large-scale humanitarian projects in their areas of expertise. For example, the experts in the Water, Sanitation, and Hygiene Rotary Action Group advise clubs and districts on how to undertake water projects that make a real impact. The Rotary Action Group for Family Health and AIDS Prevention mobilizes members to help tens of thousands of people in under-resourced communities get low-cost, comprehensive health services and screenings. Learn more at [rotary.org/actiongroups](https://rotary.org/actiongroups).

## ROTARY FRIENDSHIP EXCHANGE

Through **Rotary Friendship Exchange**, participants explore new cultures and discover different perspectives. Participating in an exchange is a wonderful way to make new friends, establish international service partnerships, and strengthen intercultural understanding. Both members and nonmembers are welcome to participate.

## ROTARY COMMUNITY CORPS

A **Rotary Community Corps** (RCC) is a group of non-Rotary members who work in partnership with at least one Rotary club to make positive change through service projects. They bring the knowledge and talents of additional community members into projects while leveraging Rotary's network and brand as they plan and implement their projects.

The Rotary Club of Bursa-Uludag, Turkey, established the Rotary Community Corps of Aksu Village in 2011 to support local women in establishing or expanding small businesses.

# PROGRAMS FOR YOUNG LEADERS

---

We believe in investing in our future by empowering young leaders, helping them learn leadership skills, and giving them opportunities to have cross-cultural experiences.

## INTERACT

**Interact** clubs give young people ages 12-18 the chance to work together and have fun while learning about service and promoting international understanding. Each club is required to complete at least two major projects each year, one to serve the community and the other to promote international understanding. Interact clubs are sponsored by nearby Rotary clubs and may be co-sponsored by Rotaract clubs. If you'd like to work with an Interact club, ask your club leaders how you can get involved.

## ROTARY YOUTH EXCHANGE

**Rotary Youth Exchange** promotes international understanding and lifelong friendships by letting young people explore another culture. Exchanges can be long-term or short-term. Short-term exchanges last from a few days to several months and often take place when school is not in session. Students typically stay with a local family in the host country, but they might also attend a youth camp or tour the country with other foreign students. During a long-term exchange, students spend a year in another country, attending school and living with host families. Exchanges vary widely among districts, so contact your district's Rotary Youth Exchange chair to learn what's available in your area.

## ROTARY YOUTH LEADERSHIP AWARDS (RYLA)

Each year, thousands of young people are selected to attend leadership camps or seminars through **Rotary Youth Leadership Awards (RYLA)**. These events can be sponsored by a club, a district, or a group of districts. In an informal environment, participants spend several days in a challenging program, learning about leadership through facilitated discussions, inspirational addresses, and social activities designed to enhance their personal development, communication skills, and good citizenship. Each RYLA program or event is customized to the participants' age range.

RYLA events instill values of service and leadership.

# LEARNING AND SKILL BUILDING

Your club may offer new members a structured orientation to acquaint them with Rotary and the club. As a member, you can also take courses on topics that interest you in the **Learning Center**, at [rotary.org/learn](https://rotary.org/learn). Your club may offer other learning opportunities as well. Talk to your mentor, club learning facilitator, or other leaders and find out how you can get involved.

Your district hosts a yearly district vibrant club workshop and grant management seminar for all interested members. Districts may also hold annual conferences to celebrate the year's accomplishments. These learning events are great places to meet people who share an interest in service and the community.

Districts also hold role-based learning events for incoming club presidents, secretaries, treasurers, and committee chairs, and for district committee chairs and assistant governors. If you take part as

Visit the Learning Center to learn new skills that you can practice in your club.

You can improve your communication and leadership skills by taking courses from **Rotary's Professional Development catalog** in the Learning Center.

a speaker or learning facilitator, you'll learn skills, such as project management, public speaking, and event planning, that can help you in your personal and professional life.

# WHAT'S NEXT?

---

The key to getting the most out of your Rotary or Rotaract club membership is to get involved in ways that suit your interests. The time and energy you invest will yield rich rewards. You can shape your club by talking with club leaders about your ideas, and as a member, you, too, are eligible to become a club leader. Over time, active members find that the connections they make through Rotary and Rotaract become lifelong friendships. For quick ideas on how to get started, go to the appendix, Optimize Your Member Experience. You can also download **Designing Your Rotary Experience**, an overview of the opportunities available to Rotary and Rotaract club members.

# APPENDIX:

## OPTIMIZE YOUR MEMBER EXPERIENCE

---

- Create a **My Rotary** account to make the most of your membership.
- Attend as many club meetings and events as you can. Get to know different people each time.
- Volunteer your skills and take on a role in your club, such as committee member, greeter, or webmaster.
- Identify a need in your community and suggest a hands-on project that addresses it.
- Take a course in the **Learning Center** to learn, for example, how to create sustainable service projects.
- Develop and practice your leadership skills by taking courses in the **Professional Development catalog** in Rotary's **Learning Center**.
- Tell friends and colleagues how your club is giving back to your community.
- Explore the unique opportunity Rotary presents for networking with leaders in many professions.
- Get involved in your club's service projects.
- Discover Rotary stories from around the world on our blog, **Rotary 360**, and on the **Rotary Voices podcast**.

- Follow our **Rotary Service in Action blog**, where Rotarians, Rotaractors, and RI staff share their experiences, insights, and ideas about programs, service projects, and community and global initiatives.
- Stay up-to-date by subscribing to newsletters from Rotary International at **rotary.org/newsletters**, reading your club and district newsletters, and visiting your club and district websites.
- Help your club or district raise funds for polio eradication by **donating to our PolioPlus Fund**.
- Set a personal contribution goal in support of your club's **Annual Fund** giving goal, donate through **Rotary Direct**, our recurring giving program, or use **Raise for Rotary**, a peer-to-peer fundraising platform, to encourage others to donate.
- Propose a friend or colleague for membership in your club, or **refer a prospective member** to another club.
- Ask your club's leaders how you can get involved in Rotary Youth Exchange, Interact, or RYLA.
- Talk to club leaders about where your expertise is most needed.
- Attend your club's next assembly, and help plan club activities.
- Join a **Rotary Fellowship** or **Rotary Action Group** and meet members from other countries who share your interests.
- Participate in your district conference and the **Rotary International Convention**.
- Visit another Rotary or Rotaract club's meeting. If you don't already know of a club you'd like to visit, use **Club Search** to find one. Then get its leaders' contact information from the club's website or the **Official Directory** and contact them.
