

THE CALL OF THE PEWEE

Volume 133 No. 48

August 2025

— WELCOME —
BACK TO SCHOOL

It's that time of year again!

Here are some basic reminders to keep everyone safe!

If your student is younger or going to school for the first time, teach them: Their phone number, address, how to get in touch with their parents at work, how to get in touch with another trusted adult and how to dial 911. Not to talk to strangers or accept rides from someone they don't know.

If your child walks to school, teach them to: Walk on the sidewalk. If no sidewalk is available, walk facing traffic. Stop and look left, then right and left again to see if cars are coming.

Cross the street at the corner, obey traffic signals and stay in the crosswalk.

Never run out into the street or cross between parked cars.

DRIVERS, SLOW DOWN! Drivers should slow down as children head back to school. Know that yellow flashing lights indicate a school bus is getting ready to stop — motorists should slow down and be prepared to stop. Red flashing lights and an extended stop sign indicate the bus is stopped and children are getting on or off. Motorists must stop when they are behind a bus, meeting the bus or approaching an intersection where a bus is stopped. Motorists following or traveling alongside a school bus must also stop until the red lights have stopped flashing, the stop arm is withdrawn, and all children have reached safety. This includes two and four-lane highways. If physical barriers such as grassy medians, guide rails or concrete median barriers separate oncoming traffic from the bus, motorists in the opposing lanes may proceed without stopping. Do not proceed until all the children have reached a place of safety. If you are considering getting your student a cell phone: Download the free Red Cross First Aid and Emergency apps to give them access to first aid tips for common emergencies and full weather alerts. red-cross.org/apps

and if enacted this would amend an existing ordinance.

Open Comments

A few residents stated the idea of a lot size increase is a great idea. Per attorney Singler any lot that is already created under an acre and a half, is grandfathered in and would not be affected by an ordinance if passed.

Council member Laguna commended the communications and asked if direct mailings could be considered for future events to get the word out to a broader audience.

The mayor said the Johnson grass will cut down on Mt. Mercy and Michael Logsdon thanked everyone for the great job on the picnic.

Pay Bills- Motion to pay bills by Henry Walser, seconded by Paige Bjorn and all council members present approved.

Motion to Adjourn made by Henry Walser, seconded by Paige Bjorn, and approved by all council members present
