Happy Thursday afternoon families,

We are deeply blessed to live in such a vibrant, rural, Catholic community here in the Cashton-Norwalk area. We are surrounded by the familiar rolling hills, red barns, and an abundance of Catholic churches. We experience a safety and neighborliness in this area that not many can relate to. As we live our daily lives enveloped in the truth of these great blessings, let us not grow so accustomed to the familiarity of them that we lose our gratitude. And may we not forget the rarity they are to so many others. Above all, let us not grow "used to" Jesus in the Eucharist--His presence, His intimacy, His sacrifice, His beauty, His depth, His love. May this reflection bring us to a prayer of gratitude for the truth this is in our lives and a prayer of supplication and hope for those who do not have it as we do--that, first and foremost, the Lord's Will be done in their lives.

We will see the students back on Monday.
