While sloth is certainly a vice, I read something this weekend while hammocking that explained how an overemphasis on productivity is one of Satan's strongest tactics. May we all prudently seek a balance between the two extremes, aiming to glorify the Lord in all that we do. I pray you have a great weekend together as families and rest up well. We will see the students back on Monday.

In the hearts of Jesus, Mary, and Joseph,
Fr. Matthew

Weekly Classroom Scripture

"Then there appeared to them tongues as of fire, which parted and came to rest on each one of them. And they were all filled with the Holy Spirit" (Acts 2:3-4a).

Mission Statement

As a Catholic apostolate devoted under the patronage of His Sacred Heart, we live for and serve Jesus as His disciples and friends. The mission of Sacred Heart School is, through our families who are fully invested in their child(ren)'s growth, to prepare the hearts of our students with care in their spiritual, human, intellectual, and communal formation for their encounter with the challenges of the world, confidently knowing that God always loves them.
